Preamble

The San Francisco Board of Education and the United Educators of San Francisco recognize their mutual responsibility to work toward the achievement of quality education for all students in the San Francisco Unified School District.

The United Educators of San Francisco and the San Francisco Board of Education have jointly entered into this contract under the Educational Employment Relations Act. This contract enumerates the rights, benefits and working conditions for all teacher bargaining unit members of the San Francisco Unified School District and provides an orderly method for the resolution of problems.

Under this contract, the parties shall continue to pursue their individual interests in a spirit of mutual respect while working cooperatively toward their common goal of quality education for all San Francisco public school students.

UESF/SFUSD Vision Statement

Quality of teaching is the most influential factor in student learning. Nothing matters more to raising student achievement than the knowledge and effectiveness of teachers and those who support them. The District and UESF are committed to building a lasting labor-management relationship at the central administration and all work sites. This relationship must be based on respect, collaboration and open communication. We must focus on attracting and retaining the highest quality certificated staff and paraprofessionals/paraeducators to achieve sustainable improvement in student learning while constructing a District culture that supports the needs of the classroom, honors our rich diversity, and adapts to leadership transitions.

1. Agreement and Union Recognition

- 1.1 This is an Agreement made between the San Francisco Unified School District Board of Education, hereinafter referred to as “District,” and the United Educators of San Francisco, hereinafter referred to as the “Union.”
- 1.2 The District recognizes the Union as the exclusive representative for the unit of United Support Personnel described in Appendix A and those with Permanent Civil Service Status classifications 3593, 3594, 3596, 8203, and 9976 and prior to July 1, 2000), excluding support employees, temporary, limited term or casual employees performing bargaining unit work or noon supervision.
 - 1.2.1 Substitute support employees performing bargaining unit work shall be included as part of the United Support Personnel bargaining unit. The Union and the District shall meet and negotiate in order to agree which portions of the Contract shall be applicable to substitute United Support Employees.
- 1.3 In order to assure a smooth transition from the current Civil Service System to an administration under the classified provisions of the California Education Code:
 - 1.3.1. The District and Union agree to continue the rights, benefits, and privileges of those employees who have Permanent Civil Service Status, therefore, no provision of this Agreement shall apply to said employees, unless the parties specifically and expressly agree to the contrary regarding a particular provision.
- 1.4 For purposes of determining the District’s right to contract out unit work, Education Code section 45103.1 shall take precedence so long as it remains in effect and unmodified.
 - 1.4.1 Education Code section 45103.1 notwithstanding, the District agrees to negotiate the effects, if any, on any bargaining unit member of any decisions to contract out bargaining unit work. It is the District’s intent to complete impact negotiations prior to implementing any decision to contract out work; however, the District reserves the right to implement its decision to contract out prior to the completion of negotiations.

5.3 **Site budget priorities to minimize layoffs** - To the extent possible, reductions shall begin with equipment and supplies, rather than people, if there is a need to reduce expenditures.

5.4 The parties to this Agreement shall not interpret or apply this Agreement, any of its terms, or the work rules, which implement this Agreement in a manner that is arbitrary, capricious, or discriminatory.

5.5 The parties shall administer this Agreement, all its terms and the work rules which implement this Agreement with uniform application and effect. The parties shall treat all bargaining unit members equitably in the interpretation of this Agreement, its terms and the work rules which implement this Agreement.

7.1.1 The program of evaluation shall apply to all United Support Personnel.

7.1.2 The evaluation of all United Support Personnel under this program shall include those performance factors listed in Appendix B.

7.1.3 In the case of a unit member who works at a school site, the on-site administrator shall be assigned as the evaluator of the unit member. The on-site administrator may seek input from the certificated person who serves as the immediate supervisor and may include such input in the evaluation. In the case of a unit member who works at other than a school site the supervising administrator shall be designated as the evaluator.

7.1.4 A formal, written evaluation for every permanent unit member shall take place once each year no later than ten (10) days before the end of the school year.

7.1.5 A formal, written evaluation for every probationary employee shall take place during the last thirty (30) days of paid service during the probationary period. The employee's next formal, written evaluation under section 7.1.4 above shall not take place until the following school year.

7.1.6 Evaluation Procedure

7.1.6.1 At the beginning of each school year, or when a unit member is newly assigned to a site, the unit member shall be furnished a copy of the evaluation procedures, including referral to this evaluation article, and shall be advised of the criteria upon which the evaluation is to be based. All unit job descriptions shall be available for unit member review on the SFUSD Human Resources web page.

7.1.6.2 The on-site administrator shall observe the unit member in the discharge of his/her daily responsibilities for performance factors, as listed on the Evaluation Form. When the on-site administrator observes performance that is less than the required expectations, or is informed of such observed performance by the certificated person who serves as the immediate supervisor, the shortfall should be called to the attention of the unit member. The contents of any written documentation shall be communicated to the unit member.

- 7.1.6.3 When it appears to the on-site administrator that a rating of “needs improvement” or “unsatisfactory” is likely in two or more of the performance factors, a conference shall be held by the on-site administrator with the unit member. The on-site administrator may require the participation of the certificated person who serves as the immediate supervisor in the conference. The areas where expectations are not being met shall be reviewed with the unit member and suggestions given for improvement. A record of such conference shall be prepared by the evaluator for the personnel file of the unit member and a copy submitted to him/her.
- 7.1.6.4 In conducting a formal evaluation the evaluator shall arrange a conference with the unit member no later than the specified evaluation deadline to discuss the evaluation. At the time of this formal conference, the unit member shall receive a copy of said evaluation and shall have the right to submit a written response to his/her evaluation within ten (10) days of receiving said evaluation.
- 7.1.6.5 The signature of a unit member on the evaluation reflects only that he/she has received the evaluation.
- 7.1.6.6 Each unit member being evaluated shall receive a formal evaluation reflecting the observation(s) he/she has received during the year. While the primary basis for this rating shall be the written assessments of the unit member’s performance as demonstrated during assessment sequences, other written feedback previously given to the unit member and related to job performance can be used to determine the formal evaluation. Copies of all written backup materials shall be attached to the form that is given to the unit member and sent to the Human Resources Department.
- 7.1.6.7 The unit member may be accompanied by a representative of his/her choice at any conference. The evaluator shall be notified prior to the conference if the unit member chooses to bring a representative.

8. District Personnel File

- 8.1 Each unit member shall have the right, upon request, to review the material in his/her own personnel file during non-duty hours. In the case of eight (8) hour employees the employee shall be released for a reasonable time mutually agreeable with the supervisor for this purpose. - 8.4 Only one (1) personnel file on any unit member may be maintained by the District except that child abuse reports and sexual harassment charges may be maintained in a separate confidential District Office file unless disciplinary action is taken on the charges. The documents may then be included in the personnel file.
 - 8.4.1 Copies of materials from the personnel file shall be released only for the purpose of processing grievances, official District business, District legal documentation, court order, and request from official Federal and State agencies, unless written consent is given by the unit member.
 - 8.4.2 Any supporting data maintained at a school site but not used for inclusion in an evaluation or for disciplinary purposes shall be destroyed at the end of the evaluation cycle, (see Article 7, Evaluation), or within one year from date of occurrence if not used for disciplinary purposes.
- 8.5 All materials in the file must be signed by the source of the material and dated. No anonymous letters or materials shall be placed in this file.
- 8.6 No derogatory information or statements not related to the unit member's assigned duties or professionals responsibilities shall be placed in this file.
 - 8.6.1 Before any derogatory material is placed in this file, a copy of such material shall be provided to the unit member and the unit member shall have an opportunity to respond within five (5) days of receiving said material. The unit member's rebuttal, if any, shall be placed in the file along with the derogatory information or statements.
 - 8.6.2 The unit member shall be provided the opportunity during non-work hours to review the information of a derogatory nature and prepare his/her rebuttal. In the case of an eight (8) hour employee, the employee shall be released for a reasonable time mutually agreeable with the supervisor for this purpose. Such release from duty during the work day shall be without salary reduction.

- 8.7 The unit member shall have the right to include in the file any material or information considered germane to that unit member's professional career except that multiple letters from students, staff and parents on the same topic may be excluded.
- 8.8 Any negative written statement originating from within the District and related to the unit member's assigned duties or professional responsibilities must be part of a formal evaluation signed by the evaluator and reviewed by the unit member, or the result of a disciplinary action.
- 8.9 Derogatory materials in a personnel file that are at least four (4) years old shall, upon a unit member's written request, be removed from the personnel file and placed in a separate sealed file. Such material shall not be removed from the separate file except by court order, a repeated similar incident, or with the unit member's consent.

9. Hours of Work and Work Year

- 9.1 The regular work week of a full-time unit member shall consist of not more than five (5) work days within a seven (7) day period (Sunday through Saturday).
- 9.2 The length of the regular work day shall not exceed eight (8) hours of service.
- 9.2.1 Each unit member shall be assigned fixed regular number of work hours which can only be changed as provided for in Article 21, Effects of Layoffs. Every effort shall be made to maintain paraprofessional/paraeducator work schedules after the first 15 student instructional days of the school year. Thereafter, required changes in a paraprofessional's/paraeducator's work schedule shall be by mutual consent wherever possible. If the change in the paraprofessional's/paraeducator's work schedule cannot be made by mutual consent an explanation on the need for the change shall be provided by the administrator to the paraprofessional/paraeducator.
- 9.2.2 United Support Personnel who work with classroom teachers may be granted one (1) hour planning time per week for necessary preparations.
- 9.2.3 Commencing with the 2018-2019 school year and continuing thereafter, the work year for all United Support Personnel shall be increased by one (1) District Professional Development Day. The funding for this additional day will come from ten (10) hours of QTEA paraeducator/paraprofessional PD, leaving eight (8) hours remaining in the QTEA PD allocation.

- 18.9.8 Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent's designee and the Union and shall be given appropriate distribution by the Union so as to facilitate operation of the grievance procedure. The cost of preparing such forms shall be paid by the District.
- 18.9.9 Nothing contained herein shall be construed as limiting the right of any unit member having an alleged grievance to discuss the matter informally with an appropriate member of the administration, to process his/her own grievance, and to have the grievance resolved without intervention by the Union, provided the resolution is reached prior to arbitration and that the resolution is not inconsistent with the terms and conditions of the Agreement. The District shall not agree to a resolution of the grievance until the Union has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.
- 18.9.10 If a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year could result in harm to the aggrieved person, the time limits set forth herein shall be reduced so that the procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

19.2.1.1 The unit member shall be adequately informed of the consequences of his/her conduct.

19.2.1.2 The District's rules, regulations and policies shall be reasonable and related to the efficient operation of the District.

19.2.1.3 A fair and objective investigation should reveal the necessity for disciplinary action.

19.2.1.4 Rules, orders and penalties should be applied fairly and equitably.

19.2.1.5 Disciplinary action should be appropriate and reasonably related to the nature of the offense.

19.3 Progressive Discipline

19.3.1 Progressive discipline shall be utilized except for conduct which is of such a nature that progressive discipline normally would not result in corrective conduct or the conduct is so egregious that immediate action is warranted.

19.3.1.1 Initially the principal or immediate supervisor shall discuss the unit member's acts or omissions prior to issuing a verbal reprimand.

19.3.1.2 If a verbal reprimand does not result in corrective conduct, a written reprimand may be issued.

19.3.1.3 The elements of progressive discipline shall be administered in a timely manner.

19.3.2 If suspension without pay is recommended as a disciplinary action, it shall be preceded by at least two (2) related written reprimands issued within a reasonable period of time of each other and recommended within a reasonable period of time after the second written reprimand was issued. Exceptions may occur where conduct is of such a nature that written reprimands normally would not result in corrective conduct or where there has been no improvement after the first written reprimand was issued.

19.3.3 Normally, any initial suspension of a unit member pending a disciplinary hearing shall be with pay.

- 19.3.3.1 **Emergency Suspension** - The Union and the District recognize that emergency situations can occur involving the health and welfare of students, employees, or the public.
- 19.3.3.1.1 If the unit member's presence would lead to a clear and present danger to the lives, safety, or health of students, employees, or the public, the District may suspend the unit member without pay immediately after informing the unit member of the reason for the suspension.
- 19.3.3.1.2 Within three (3) work days, the District shall hold an informal hearing as described in Section 19.4.1 and serve on the employee a written notice of discipline and notice of right to a formal hearing in accordance with this Article.
- 19.3.3.1.3 If, as a result of either the informal or formal hearing, the suspension is found unwarranted or of undue length, the unit member shall be reimbursed the appropriate back pay.
- 19.3.4 A unit member may be represented, upon request, at any disciplinary meeting or hearing.
- 19.4 **Disciplinary Procedure**
- 19.4.1 **Informal Hearing** - By mutual agreement, an employee against whom disciplinary action is being recommended may meet with the Superintendent or his/her designee prior to written notification of official charges. The employee shall be informed orally of the reasons for disciplinary action and the action to be taken and be given an opportunity to respond. The employee may be represented at the hearing by a representative of his/her choice.
- 19.4.1.1 If no agreement is reached at the informal hearing, the District will give written notification of official charges and notice of a right to a formal hearing.
- 19.4.2 **Written Notice** - When the District seeks the imposition of any disciplinary punishment, notice of such discipline shall be made in writing and served in person or by registered or certified mail to the employee at the last known address. A copy of the notice shall be mailed to the Union at the same time unless the employee requests otherwise.
- 19.4.3 **Statement of Charges** — A statement of the specific charges against the employee shall be written in ordinary and concise language, shall include the cause and the specific acts and omissions, including times, dates, and location, on which the disciplinary action is based and shall state the penalty proposed.

- 19.4.3.1 No disciplinary action shall be taken for any cause which arose prior to the employee's becoming permanent, nor for any cause which arose more than two (2) years preceding the date of the filing of the notice of cause, unless such cause was concealed or not disclosed by such employee when it could be reasonably assumed that the employee should have disclosed the facts to the District.
- 19.4.3.2 The employee may, upon request, have copies of materials upon which the charges are based.
- 19.4.4 **Right to a Hearing** - The unit member may request a hearing in writing either by mail or personal delivery within five (5) work days after service of the statement of charges. A card or letter shall be provided to the employee, the signing of which shall constitute a demand for a hearing and a denial of all charges. In the absence of a request for a hearing within the five (5) work days, the disciplinary action shall be effective without a hearing on the date set forth in the written notice.
- 19.4.4.1 If, after requesting a hearing, the employee fails to appear for the hearing, the disciplinary action shall be effective without a hearing on the date set forth in the written notice.
- 19.4.5 **Hearing** - A hearing shall be held before the Superintendent or his/her designee in compliance with state and federal due process requirements.
- 19.4.5.1 The hearing shall be held within a reasonable period of time after the filing of a request for a hearing.
- 19.4.5.2 The employee may be represented at the hearing by a representative of his/her choice.
- 19.4.5.3 The Superintendent or designee shall render a written decision within ten (10) work days.
- 19.4.5.4 The decision of the Superintendent or designee shall be submitted to the governing board for action unless the matter is moved to arbitration. The request for arbitration shall be made within fifteen (15) days after receiving the decision of the Superintendent or designee.
- 19.4.6 **Arbitration**
- 19.4.6.1 The Union has the exclusive right to appeal the Superintendent/designee's decision to arbitration.
- 19.4.6.2 The Union shall request a list of arbitrators from the California State Mediation and Conciliation Service (SMCS). The parties shall alternately strike names and

use a mutually agreeable method to determine which party shall strike the first name.

19.4.6.3 Technical rules of evidence shall not apply at the arbitration.

19.4.6.4 The cost of the arbitration and the reporter, if any, shall be borne equally by the District and the Union.

19.4.6.5 The arbitrator shall submit a written decision, including the findings of fact and determination of the issues, within thirty (30) calendar days after the closing of the hearing. A copy shall be sent to the employee, the Union and to the Superintendent.

19.4.6.6. The decision of the arbitrator shall be advisory for terminations, binding for suspension. The Superintendent shall submit the arbitrator's decision to the Board of Education. The decision of the Board of Education shall be final. If an advisory arbitration decision on a dismissal is rejected upon review by the District's Board, the District will pay the arbitrator's fee and cost incurred by the Union.

19.5 **Release of Probationary Classified Employees** - Probationary employees are excluded from the provisions of the disciplinary article. At any time prior to the expiration of the probationary period, the District may, at its discretion, release a probationary employee.

20. Due Process for Handling Complaints

20.1 The District and the Union agree that the following procedures shall be used for processing complaints against members of the bargaining unit by a citizen.

20.2 This article is not to be considered as a substitute for the evaluation procedure.

20.3 A charge is a complaint by a citizen against a member of the bargaining unit that:

20.3.1 could result in disciplinary action, or in any other way affect the status of the unit member; and,

20.3.2 has not been resolved at the school level, if the complaint had initially been made at that level.

20.4 Charges against a unit member will not be heard publicly by the Board of Education or the Superintendent and his/her staff unless the unit member requests that the charges be heard publicly.

20.5 All charges against a unit member shall be filed in writing with the Employer.

- 20.6 The unit member so charged shall immediately be furnished a copy of the charges, to the extent permitted by law.
- 20.6.1 Nothing in this Article shall require the District to provide information to a unit member when a non-school district agency has given the district notice that such information may compromise that agency's criminal investigation.
- 20.7 If, after investigation, the Superintendent decides further action is necessary, a conference committee shall be established consisting of the Superintendent or designee, the unit member and/or designee, and the citizen and/or designee. The conference committee may terminate the charges by unanimous agreement.
- 20.8 The meetings of the conference committee are to be privately conducted. Any public announcement of the results of the conference committee meetings will be made only upon the request of the unit member.
- 20.8.1 If the conference committee is unable to resolve the issue, a report of its activities shall be submitted to the Board of Education for consideration in closed session.
- 20.9 The Board of Education may decide, upon consideration of the report of the conference committee, to either terminate the charges against the unit member or hold a closed session personnel hearing with the Board of Education acting as a committee of the whole. The unit member and/or representative has a right to be at this hearing.
- 20.10 Any public announcement of the results of the closed session hearing will be made only upon the request of the unit member.

21. Effects of Layoffs

21.1 Procedures for Layoff

- 21.1.1 **Civil Service Employees** - The layoff of Civil Service unit members shall be in accordance with Civil Service rules and regulations.
- 21.1.2 **All Other Bargaining Unit Employees** - The layoff, including a reduction in assigned hours, of unit members who are not members of the Civil Service shall be in accordance with the California Education Code.
- 21.1.2.1 Layoff or reduction in hours shall be by class group, in inverse order of seniority for the following classes (including suffixed positions), except for suffixed positions which may be skipped based on the District's determination of program need:

Class Group	Class
I	A03, A04, A05, A06, A08, A12
II	R10, R40, R50, R60, and R70

For all other classes, layoff or reduction in hours shall be by class in inverse order of seniority.

- 21.1.2.2 This procedure may result in displacement of a unit member to a position in a different class in that unit member's class group with the same or no class suffix due to positions in that unit member's class or class suffix being eliminated. A displaced unit member shall be placed according to the placement procedure specified in Sections 12.4.7.1 through 12.4.7.5, provided that all references to "class" in those sections shall include "class group" as defined in this article.
- 21.1.2.3 With regard to unit members displaced from classes with a suffix, the following shall apply:
- 21.1.2.3.1 Unit members in a suffix position may displace to a position with the same suffix in the same or different class within a class group.
- 21.1.2.3.2 Unit members hired into a suffix position after July 1, 2002 may displace to a position with the same suffix or no suffix in the same or different class within a class group.
- 21.1.2.4 If a unit member with more than one seniority date is bumped from his/her most recent class or class group due to layoff, the unit member shall bump into a vacant position in his/her next most recent class or class group. If no vacancies in the second class or class group exist the unit member with the least seniority in that second class or class group shall be subject to layoff. Bumping due to layoff occurs without regard to the number of hours a unit member works.
- 21.1.2.5 For the purposes of this article, notwithstanding any other provision of this Agreement, seniority is determined by hire date as a probationary employee within a class or class group, plus higher classes.
- 21.1.2.6 No unit member shall be subject to layoff or reduction in hours for performance or disciplinary reasons.
- 21.1.2.7 Reemployment following a layoff shall be pursuant to Education Code §45114.
- 21.2 **Meetings with the Union** - Prior to notifying unit members the District shall supply the Union with a list of unit members being laid-off, including information on program, fund, site, salary, hours, date of hire, and location. If requested by the

Union, the District will consult with the Union regarding possible alternatives to layoffs.

- 21.3 **Early Education Department Substitute Pool** - To minimize the adverse impact of budget reductions and to provide an available source of substitute employees in lieu of layoffs, the District shall continue the substitute pool. A substitute pool of up to seventeen (17) shall be established as a separate employment component of the District, administered by the central office. Recruitment will be on a voluntary basis, with affirmative action and seniority used if there are more candidates than sub pool vacancies. An existing employee placed in the pool shall continue to work the same number of hours he/she did prior to pool placement; all other benefits held prior to pool placement shall continue. Unit members displaced into the pool because of layoffs shall remain in said pool until a vacant Early Education position having the same number of assigned hours becomes available. Upon said availability, the pool employee shall be required to accept said vacant position, or face termination.
- 21.4 The District shall make every reasonable effort to recruit and provide substitutes for absent teachers and paraprofessionals/paraeducators assigned to special day classes, paraprofessionals/paraeducators assigned one-to-one service providers, and to general education classes with students who are receiving special education services in the general education setting. Upon request to the District Human Resources Department, efforts will be made to obtain substitutes for long-term absences of paraprofessionals/paraeducators in other special education classes. Long-term absences shall be those projected to be in excess of seven (7) work days.
- 21.5 **Reduction in Assigned Time** - Once an employee has been issued an annual assignment notice by the Classified Personnel Office, his/her assigned hours as contained in said notice shall not be reduced for the remainder of that school year.
- 21.6 **Waiver** - In consideration of the provisions contained herein, the District and the Union shall not be required to bargain further about the effects of layoff, nor the annual decision to reduce assigned time and the effects related thereto.
- 21.7 **Contract Language Review Committee** - The parties shall form a committee composed of two (2) District and two (2) Union representatives to identify obsolete language in the certificated and classified contracts for removal. Any removal of language from the contracts shall be by mutual agreement between the parties. Union representatives on the committee shall be granted release time, if required, without loss of compensation to attend committee meetings.

22. Summer/Saturday School, *et al.*

- 22.1 Any unit member positions available for Summer School/Saturday School, *et al.*, shall be posted in or around the District's Classified Personnel Office and included in the Weekly Administrative Directive (W.A.D.). Available information regarding hours, job classification, and site, as well as application deadline date, shall be included in the notice.
- 22.2 A more senior unit member who is in service shall be given priority preference in hiring for a United Support Personnel position if he/she meets the posted classification requirements of such a job and providing that the additional assignment will not create a regular work week in excess of forty (40) hours.
- 22.2.1 EED Pre-K unit members shall be given priority based on seniority for summer program work.
- 22.2.1.1 Any EED Pre-K unit member who applies for summer work and is not selected shall have priority status for summer EED substitute work.
- 22.3 The Union and the District mutually agree to discuss any proposed changes in existing practices regarding timelines for notification, application, and selection of Pre-K paraprofessionals/paraeducators.

- 23.1.1.2 Mileage reimbursement at the current Internal Revenue Code rate shall be paid to unit members.
- 23.1.1.3 A unit member may request accompaniment by another authorized individual for a home visit. The central office shall make every effort to fulfill this request. In the event that another authorized individual is not available, the home visit shall be rescheduled to a time when the second authorized individual is available. If the second authorized individual is a unit member, that individual shall also receive the \$40 home visit stipend.
- 23.1.2 EED staff shall be notified of state or federal requirements for home visits prior to any regulatory requirement to perform them.

- 23.1.3 The District shall assume all liability related to home visits by all unit members to the extent required by law.
- 23.2 Personnel records that are required by Community Care Licensing for licensing purposes, shall be maintained securely and locked at an EED site and only be made available for compliance review purposes. They shall exclude job ratings and evaluations, and shall not constitute a waiver of any rights related to a unit member's personnel file established in the Education Code. See Side Letter in Appendix G.

- 24.2 No member of the bargaining unit shall be requested to serve in the place of an absent teacher.
- 24.3 Employees shall not be released from work but shall be assigned to related duties and compensated at their regular rate of pay whenever the District shortens or cancels a regular school day and there are no students in attendance on any school day during which pupils would otherwise have been in attendance and for which certificated personnel shall also receive regular pay whether or not they are required to report for duty that day.
- 24.4 No unit member shall be required to perform personal errands or tasks for other members of the staff.

The committee will recommend the establishment of and/or make recommendations regarding appropriate classifications, to recommend the reclassification of existing classifications, and to make recommendations regarding the assignment of a classification to a position within the District's bargaining unit classification structure. Further, the committee will make recommendations regarding titles, job specifications and ranges for newly created positions, as well as review any requests for added

responsibilities or removal of responsibilities to existing job specifications. A representative of the Classified Personnel Office shall serve as clerical support to the committee.

- 25.1 **Reclassification** - A request for reclassification of a current position may be submitted by the employee to the District's Human Resources Department during the window period specified below, not more than once every eighteen (18) months. The Human Resources Department shall provide the forms to the employee upon request. The terms of the committee members shall be established by lot for one to three (3) years.

25.3.1.2 If the Chief Administrative Officer of Human Resources disagrees with the District-wide Reclassification Committee, a response, in writing, to the committee will be submitted stating the reasons.

Instructions For The Evaluator/Observer

Techniques of Appraisal

The observation and provision of oral and written feedback to the supervising administrator of a unit member's work performance is one of the primary responsibilities of any person who supervises or directs United Support Personnel. The final evaluation shall be signed by the supervising administrator. The effective communication of this evaluation to the unit member is essential. When used thoughtfully and carefully, this form is intended to aid the unit member and evaluator in arriving at an understanding of the unit member's performance in a given position. This evaluation will become part of the unit member's personnel file.

1. Purpose of a performance appraisal:
 - a. To act as a tool to define work skills and to provide a measurement of the degree to which each unit member performs these skills.
 - b. To act as a report to the unit member concerning performance on his/her job.
 - c. To assure the unit member of a regular and systematic review.
 - d. To provide a record of unit member's performance and growth history.
 - e. To provide a basis for coaching and guiding the unit member.
 - f. To provide an opportunity for closer and better communication between the unit member and her/his supervisor.
2. How to Appraise:
 - a. Define the standard — rate each person against the requirements of his/her position.
 - b. Be objective — avoid reference to personal likes and dislikes.
 - c. Consider one factor of ability at a time. Each factor is distinct and does not necessarily relate to similar factors.
 - d. Base appraisals on observed and proven performance — avoid impressions based on hearsay.
 - e. Base appraisals on average daily performance — avoid rating occasional incidents which highlight a particularly good or bad performance.

Appendix B — Evaluation Form

- f. Written narrative explanation must accompany any areas designated as unsatisfactory, with specific recommendations for means of improvement.
- 3. After making the report, the evaluator shall:
 - a. Discuss the report with the unit member.
 - (1) Give the unit member an opportunity to make suggestions for the improvement of her/his work.
 - (2) Explain areas where work performance may be improved.
 - (3) Explain the comments on the performance reports.
 - b. Sign the evaluation report and obtain the signature of the unit member (The signature of a unit member on the evaluation reflects only that he/she has received the evaluation.).
 - c. Retain a copy of the evaluation, give the unit member a copy, and send a copy to the Human Resources Office.

Appendix F - Memorandum of Understanding on Distribution of
Potential Parcel Tax Revenues

TENTATIVE AGREEMENT FOR
SFUSD-UESF
MEMORANDUM OF UNDERSTANDING

Regarding the Distribution of Potential Parcel Tax Revenues
for Teacher Compensation and Other Selected Areas.

The San Francisco Unified School District (the “District”) and the United Educators of San Francisco (“UESF” or “Union”) agree that in the event a parcel tax measure is passed on the June 3, 2008 ballot the following provisions shall be implemented through appropriate action by the Board of Education.

Additional Teacher Compensation:

The salary schedules shall be adjusted in accordance with Attachment A to take effect on a date subsequent to July 1, 2008 and as soon as administratively feasible following receipt of the parcel tax revenues from the City Controller. In no event shall the parcel tax adjusted salary schedules set forth in Attachment A take effect later than ninety (90) days after the District’s receipt of funds from the parcel tax. Effective August 1, 2008, teachers receiving additional salary credit placement for academic units shall have those units reviewed by the Human Resources Department, or District designee, for the purpose of seeing that they advance the subject area or credential of the individual. In cases of dispute the Chief Administrative Officer or designee shall make the final determination. Future negotiated salary percentage increases from reopener or full contract bargaining shall be calculated based on the schedules in effect on July 1, 2008, which shall be referred to in the collective bargaining agreement as the base salary schedules.

Continuing Education:

An additional 18 hours of continuing education supported by parcel tax revenues shall be added for each K-12 certificated bargaining unit member. These continuing education hours shall be compensated at the rate of \$40 per hour.

An additional 6 hours of continuing education supported by parcel tax revenues shall be added for each Child Development teacher at a rate \$30 per hour.

Additional site-based or centralized continuing education supported by parcel tax revenues shall be compensated at the same above rate which shall also be listed in the salary schedule of the certificated contract.

The District and the Union shall consult in establishing the content and schedule for the Continuing Education process that is supported by parcel tax revenues with the goal of having continuing education decisions made at the school site and embedded into the site programs.

Potential Parcel Tax Revenues

Paraprofessional/Paraeducator Continuing Education:

An additional 12 hours of continuing education supported by parcel tax revenues shall be added for each paraprofessional/paraeducator at a rate of \$19 per hour.

Additional site-based or centralized continuing education supported by parcel tax revenues shall be compensated at the same above rate which shall also be listed in the salary schedule of the classified contract.

The District and the Union shall consult in establishing the content and schedule for the Continuing Education process that is supported by parcel tax revenues with the goal of having continuing education decisions made at the school site and embedded into the site programs.

Paraprofessional/Paraeducator Retirement System:

The District shall contribute an additional amount to paraprofessional/paraeducator retirement accounts so that the total District contribution to such accounts is equivalent to the 2007-2008 employer contribution the District would otherwise pay for Social Security.

Child Development Program Staffing Pilot Program:

The Union and the District shall support the Child Development Program Staffing Pilot Program to regularize the staffing and increase the compensation paid to Union members working in Child Development Program. Upon the mutual agreement of the District and the Union, this staffing pilot Program shall be continued with the goal of making it a standard for the entire program.

Substitutes:

A total of forty (40) substitutes shall be granted the benefits offered to 160-day substitutes. Parcel tax revenues shall be used, in addition to the amount currently stated in the collective bargaining agreement, for this purpose. Effective beginning in the 2008-2009 school year, all 160-day substitutes shall be assigned to hard-to-staff schools. On any day that no hard-to-staff school assignment is available for a 160-day substitute, that 160-day substitute may select a substitute assignment at a non-hard-to-staff school for that day. A new classification shall be created for these forty (40) bargaining unit members.

Master Teachers:

In the interest of providing a pathway for teacher leadership as well as support for selected school sites, the District and the Union agree to establish a Master Teacher program of up to fifty (50) teachers. Teachers designated as Master Teachers shall receive additional compensation in the amount of Two Thousand Five Hundred Dollars (\$2,500.00) annually and shall be provided with 0.2 FTE release time to assist other teachers at their schools or other District-designated sites. The District shall consult with

the Union in establishing the criteria and selection process for the Master Teacher Program. The District and Union shall consult on the criteria and selection process as well as the evaluation of the Program.

Hard to Staff Schools:

In recognition of the additional work teachers do beyond the school day, and in the interest of providing additional pay for additional work at hard-to-staff schools, the District shall compensate each full-time certificated staff member at a hard-to-staff school an additional Two Thousand Dollars (\$2,000.00) per school year (pro-rated for part-time service). This additional work shall be self-directed time spent beyond the regular work day/work week. The District will determine an appropriate method of reporting the time spent. The District, in consultation with the Union, may select up to twenty-five (25) schools to receive the hard-to-staff designation.

Provided the District allocates funds for tuition credit, teachers who serve at hard-to-staff schools while still working on their credentials may receive a tuition credit stipend of up to One Thousand Dollars (\$1,000.00) per school year for each of their first three years of service. Teachers at non-hard-to-staff school sites who are still working on their credentials may also be eligible to receive this support if sufficient funding is available.

Hard to Fill Subject Areas:

In the interest of providing a skilled and qualified certificated teacher in every classroom, beginning with the 2008-2009 school year the District shall offer teachers in each of the three District-identified hard-to-fill subject areas (and up to two other areas of special need or significance that may be identified by the Superintendent) a stipend. Such stipends shall be paid on the following basis: One Thousand Dollars (\$1,000.00) at the end of the 2008-2009 school year and each school year thereafter that the subject area is identified as hard-to-fill. If the hard-to-fill designation no longer applies to a particular subject area, there shall be a two-year period before such payments are stopped.

Support for School Site Increases in Achievement:

Beginning with the 2008-2009 school year, the twenty (20) schools that show the most improvement in their API scores, or other mutually agreed upon growth measures, shall be recognized for their efforts in increasing student achievement with a school site block grant of Thirty Thousand Dollars (\$30,000.00). Distribution of the money in the block grant shall be subject to a recommendation vote by the entire school site staff, but shall be determined by the school site council. The District and the Union shall consult on the designation of the twenty (20) schools.

Teacher Support and Accountability:

- A. The District will use parcel tax revenues to increase the number of Peer Assistance and Review (PAR) coaches by no more than five. If five additional

coaches are not needed, then the additional money will be redirected to certificated salaries covered by this parcel tax MOU.

- B. Recommendations to the Labor/Management Evaluation Committee that is charged with developing a new evaluation procedure for certificated personnel shall also include recommendations for changes in the PAR program. The District and the Union shall direct their appointees to the Labor/Management Evaluation Committee charged with these responsibilities to report to the Superintendent and to the President of the Union no later than One Hundred Twenty (120) working days following the passage of the parcel tax.
- C. The following changes will be made to the PAR program:
 - 1. Teachers who receive a “needs improvement” rating for two consecutive semesters shall be eligible to be referred to the PAR program, and shall be admitted by the mutual agreement of the Co-Chairs. If the PAR Panel Co-Chairs fail to agree, the individual’s participation in PAR shall be appealed by the Co-Chairs to the Superintendent for final determination.
 - 2. A teacher who has exited the PAR program and subsequently receives an unsatisfactory notice may subsequently be moved to dismissal by the district in accordance with due process as provided in the Education Code. The PAR panel findings shall also be admissible in any dismissal proceedings.
 - 3. The following essential standards are linked to the California Standards for the Teaching Profession and shall be required for teachers to demonstrate proficiency:

CSTP Essential Standards

- i. 3.2 Organize curriculum to support student understanding of subject matter based on *Content and Performance Standards and Core Curriculum*.
- ii. 1.4 Engage students in problem solving, critical thinking and other activities that make subject matter meaningful.

- Iv. 2.5 Implement classroom procedures and routines that support student learning.
- V. 5.4 Use results of assessment to guide instruction.

4. The PAR program shall be expanded to encourage additional voluntary participation based on self-reflection by teachers with Satisfactory or equivalent ratings who seek to improve their already satisfactory performance. Such self-referral shall not be subject to the PAR evaluation process.
5. No other changes to Article 41 of the certificated contract are implied or intended.

Savings Clause:

If revenues exceed or fall below this expenditure model, the District and the Union shall meet to negotiate the use of that proportion of the revenue that has been assigned to the UESF certificated and classified units in this spending plan.

In the event that the parcel tax expires without being renewed by the voters, the salary schedules shall revert to those in effect on July 1, 2008, plus subsequent negotiated salary increases. All other economic incentives and other expenditures that use parcel tax revenues shall cease to exist effective June 30th of the year in which the parcel tax expires and is not renewed.

In the event that the parcel tax fails to pass by the necessary majority and go into effect, the provisions of this MOU shall be null and void.

II. Economic Agreements:

In order to address the District's structural deficit for the 2010-2011 and 2011-2012 school years as well as mitigate the number of unit members who might otherwise be adversely impacted because of the need to close this deficit, the parties have agreed to the following changes, the sum of which totals approximately \$30 million in expenditure reductions or reallocations of revenue.

In addition, the parties have agreed to allocate approximately \$9,072,616 in Proposition A teacher compensation funds generated from the fall semester of the 2008-2009 school year for the purposes described in the foregoing paragraph.

The changes comprising the \$30 million figure are set forth below and represent two year suspensions or reallocation of funds under existing agreements (i.e., for the 2010-2011 and 2011-2012 school years only) except where noted otherwise. Effective with the 2012-2013 school year all Proposition A reductions and the work year calendar shall be restored to the pre-2010-2011 levels. The revenue associated with each change is set forth in the chart which is attached to this Tentative Agreement and incorporated herein. The parties agree these amounts are their best estimates as of the time of executing this Tentative Agreement and that minor variances from these figures will not constitute a violation of this Tentative Agreement.

A. Proposition A Funds (Ongoing Revenue): Proposition A funds designated for the following purposes shall be suspended or reallocated as follows:

1. Tuition Credit Reimbursement: Some funds may be expended for Special Education credentialing as noted in this Tentative Agreement (See Article 18).
2. Master Teacher Program: One-half (50%) of these funds.
3. School Wide Awards: One-half (50%) of these funds.
4. Hard to Fill Subject Areas: One-half (50%) of these funds.
5. Retention Bonuses: Reduce stipends for teachers after their 4th and 8th years by one-half (50%).
6. Certificated Professional Development: Reallocate Proposition A funds currently supporting 18 hours of professional development to maintain three (3) staff development days.
7. Paraprofessional/Paraeducator Staff Development: Reallocate Proposition A funds currently supporting 9 hours of professional development.

Addendum C - Tentative Agreement for the 2010-2011 and 2011-2012 School Years

- B. Proposition A Funds (One-Time Revenue): Proposition A funds designated for the following purposes shall be reallocated as follows:
1. Retirement Incentive: Unspent funds set aside for the 2009-2010 incentive.
 2. Teacher Compensation: All unspent funds designated for any component of teacher compensation from the 2009-2010 school year through and including the 2011-2012 school year, including funds generated as a result of the measure's cost of living adjustment (COLA) and any increase in the number of "taxed parcels," shall be allocated toward reducing the District's deficit. However, in no event shall allocation of revenues described in this section B(2) cause the total expenditure reductions/reallocations of revenue contained in this Tentative Agreement to exceed the \$30 million figure referred to in section II above.
- C. Other Suspensions/Reallocations
1. Temporary Reduction in Unit Member Work Years: Pursuant to the Tentative Agreement on this matter attached hereto, the 2010-2011 and 2011-2012 school years, unit member work years shall each be reduced by four (4) days with a concomitant reduction in salaries.
 2. CO Leaves shall be suspended and inoperable for the 2010-2011 school year, restored to a maximum of twenty (20) for the 2011-2012 school year, and fully restored to the pre-2010-2011 level effective with the 2012-2013 school year.
 - a. Seven hundred thousand dollars (\$700,000) of the expenditure reduction (savings) generated by this action shall be allocated to restore planned reductions to centrally funded paraprofessional/paraeducator positions (Classifications R10, R20, R40, R50, R60, and R70) for the 2010-2011 school year.
- D. If total unrestricted general fund revenues for the 2011-2012 school year exceed the amount stated for the 2011-2012 school year in the multiyear projection for the 2010-2011 adopted budget, the parties shall meet and confer over early restoration of areas reduced by this agreement, in accordance with the following priority order:
1. Reduced work year (4 days).

(See Certificated and Classified Contracts, Articles 12 and 13 respectively.)

- B. Proposition A Funds (Carryover and Growth Revenue): Proposition A funds designated for the following purposes shall be reallocated as follows:
1. Teacher Compensation: All unspent funds designated for any component of teacher compensation from the 2010-2011 school year (\$302,905 carryover) through and including the 2012-2013 school year, including funds generated as a result of the measure's cost of living adjustment (COLA) and any increase in the number of "taxed parcels," for 2012-2013 (projected to be \$1,675,782 Proposition A growth)) shall be allocated toward reducing the District's deficit.
 2. The parties shall meet and confer over funds designated for any component of teacher compensation from the 2013-2014 school year including funds generated as a result of the measure's cost of living adjustment (COLA) and any increase in the number of "taxed parcels," for 2013-2014.
 3. In no event shall allocation of revenues described in sections B(1) and B(2) above cause the total expenditure reductions/reallocations of revenue contained in this Tentative Agreement to exceed the \$23.7 million figure referred to in section I above.
- C. Other Suspensions/Reductions
1. Temporary Reduction in Unit Member Work Years: Pursuant to the Tentative Agreement on this matter attached hereto, the 2012-2013 and 2013-2014 school years, unit member work years shall be reduced as follows, with a concomitant reduction in salaries (each day represents an expenditure reduction of \$1.79 million):

Article 21 language from the 2001-2004 Teachers' Contract

21 Restructuring

- 21.1 Restructuring is not accomplished quickly or easily. Continued success is dependent on the support and participation of those involved in the process at the school site and on the District level. Resources and staff released time, including that provided by law, are necessary components of restructuring and shall be mutually determined by the Union and the District.
- 21.1.1 The District and Union agree that by working together they can continue to have a powerful and positive effect on the improvement of the educational program for all San Francisco Unified School District students. Restructuring is a process for moving toward this end through shared decision-making among those directly responsible for student performance.
- 21.1.2 Shared decision-making is a process whereby teachers, united support personnel, administrators, classified staff, parents, students, and others, as determined by the site, can collaborate in identifying areas in need of improvement and in developing solutions that will enhance the learning opportunities for all students.
- 21.1.3 The parties recognize that the most important interactions that affect student performance are those between instructional staff and students. Instructional staff must be able to share in decisions at the school site if they are to share the responsibility and accountability for the success of the school.
- 21.2 In order to provide the maximum opportunity for success in District-wide restructuring, the Union and the District have developed the following guidelines:
- 21.2.1 Dissemination of information designed to develop an understanding of restructuring is essential.
- 21.2.2 Restructuring will not be imposed but allowed to evolve on a voluntary basis. Since site specific plans may be developed for restructuring, no single model can be specified.
- 21.2.3 Participation in the process will be open to all with responsibility for student outcomes, such as teachers, united support personnel, administrators, classified staff, parents, students, and others, as determined by the site.
- 21.2.4 The process of consensus decision-making or other democratic decision-making process as determined by each site will be utilized at all levels of restructuring.
- 21.2.5 Restructuring plans as provided for in this article will operate within legal mandates, economic opportunities, Board of Education policy provisions, and

requirements of the Union contract, unless appropriate site specific amendments, including waivers of legal mandates, economic opportunities and Board of Education Policy, are obtained upon mutual agreement.

21.2.6 Contract language on restructuring will enable the process to evolve. Other forms of agreements outside of the contract may facilitate the process of restructuring. One form may be a trust agreement between the District and the Union. Another may be a multilateral agreement whereby the District and the Union jointly enter into a contract with other interested parties.

21.2.7 The UBC will serve as the initial conduit to the process of restructuring. A shared decision-making structure must be established to include teachers, united support personnel, the Union Building Representative, administrators, parents, and others, as determined by the site in fulfillment of District, State and Federal guidelines. The construction of this structure shall clearly describe the scope of authority as well as a delineation of roles and responsibilities of the constituent parties.

21.2.8 Site governance structures. See Article 23, Union Building Committee.

21.3 Restructuring Council — The Union and District recognize that the enabling structure for shared decision-making, as originally defined in the 1989-92 teachers' contract, has evolved into the single body known as the SFUSD Restructuring Council.

The Union and the District recognize that those most directly involved in improving student performance are a necessary and integral component of all restructuring efforts and should be represented on the Restructuring Council.

21.3.1 The Restructuring Council shall be comprised of the following members:

21.3.1.1 The Union President and the Superintendent of Schools.

21.3.1.2 Nine (9) representatives of the Union, selected from teachers and united support personnel, appointed by the Union President.

21.3.1.3 Nine (9) representatives of the District appointed by the Superintendent of Schools.

21.3.1.4 Additional membership as determined by the Restructuring Council.

21.3.2 The responsibilities of the Restructuring Council shall be to:

21.3.2.1 develop mission, goals, and operating procedures for the Restructuring Council;

21.3.2.2 promote the concepts of site-based shared decision-making at all sites as an integral component of restructuring;

Archive #2 - Early Education Department

1. The District and Union share the goal of building a program that offers a full range of educational experiences to the children in the Early Education Department. The current structure of the program makes it difficult to provide the best services for children and the best professional responsibilities for teachers and paraprofessionals/paraeducators. The District and Union shall work to develop possible modifications to the structure of the Early Education within the historic fiscal limitations of the Early Education Department's funding mechanisms.
- 1.1. The parties shall also work together to change the funding mechanisms to provide additional revenue.
