Irving G. Breyer Board Meeting Room
555 Franklin Street, First Floor
San Francisco, California 94102

Meeting Start Time:

Closed Session Begins at 4:00 p.m.

Open Session Begins at 6:30 p.m.

NOTICE:

1. Regular meetings of the Board are held IN PERSON with an option for the public to observe the meeting virtually. For information on virtual attendance and participation, see General Information Items in the Agenda. Members of the public are advised that in the event the Board experiences technical difficulties, the meeting will continue without broadcasting.

Please see General Information Items in the Agenda for information regarding ADA accommodations, translation and interpretation.

PUBLIC COMMENT:

1. In person. To comment on agenda and non-agenda items, members of the public attending in person should submit their speaker card prior to Public Comment being called. If commenting on a non-agenda item, speaker cards must be submitted before Public Comment is announced. The President or Chair will introduce the item and call for speaker cards.

2. Via Video Conference. If the Board President or Chair elects to allow public comment by video conference, click on the Participants button at the bottom of your screen and select the Raise Your Hand button to request to speak when Public Comment is being asked for. When called upon, you will be unmuted. After the allotted time, you will then be muted.

3. Via Telephone. If the Board President or Chair elects to allow Public Comment by phone, you will be prompted to Raise Your Hand by pressing *9 to request to speak when Public Comment is asked for. When called upon, you will be unmuted. After the allotted time, you will then be re-muted.

Materials that were distributed within 72 hours of the meeting to a majority of board members can be inspected at the Board Office, 555 Franklin St., 1st Floor, San Francisco, CA 94102.

Meeting :	Oct 28, 2025 - Regular Meeting: Monitoring Workshop
Category :	E. Action Items
Type :	Action
Preferred Date :	Oct 28, 2025
Absolute Date :	Oct 28, 2025
Fiscal Impact :	No
Budgeted :	No
Recommended Action :	That the Board grant the Renewal of the KIPP Bayview Elementary School Petition for the period of July 1, 2026 to June 30, 2031.

Public Content

BACKGROUND:

On August 4, 2025, KIPP Bayview Elementary School (TK-4) submitted the attached petition for renewal of their charter for the period July 1, 2026 to June 30, 2031 for a maximum enrollment of 469 students.

An initial hearing for this item was held on September 30, 2025 in accordance with the requirements of California law and Board Policy 0420.42. Specifically, any petition for renewal of a charter school shall be

submitted to the Board of Education. Within 60 days of receiving the renewal petition, the Board shall hold an initial hearing to assess the level of public support for the charter school. Within 90 days of submission, the Board shall hold a decision hearing to accept or deny the petition renewal (Education Code 47607)

This item initiates and conducts the decision hearing for the KIPP Bayview Elementary School petition in accordance with CA Education Code 47605(b) which requires that within 90 days of receiving a petition, or within 120 days with mutual consent of the petitioners and the Board, the Board shall either approve or deny the request to establish the charter school.

That the Board of Education consider and approve
Provisional Intern Permit applications

Public Content

BACKGROUND:

In order to exercise additional options in which to fill vacant certificated positions, Human Resources will be submitting Provisional Intern Permit applications to the Board for approval. The teachers on the attached list hold a California Preliminary Teaching Credential in their respective subject areas. The permit requests are for specific credential areas and specialty areas/subject area authorizations as teachers continue to work towards their subject matter requirement. The PIP was developed to address the anticipated staffing need of when a school district is aware that a position will be open and conducts a diligent search for a credentialed teacher, but is unable to recruit one. PIPs are for intern candidates who have not yet achieved subject matter. The limited assignment permit was developed to fill the school districts teaching position vacancies by allowing fully credentialed teachers to teach outside their authorized areas while completing the requirements to earn the required authorization. This approval authorizes and delegates to the Superintendent, or her designee, to take all necessary measures and action to obtain the approval of these credential permits.

F. Workshop on Student Outcomes

Subject :	1. Commissioner School Visits
Meeting :	Oct 28, 2025 - Regular Meeting: Monitoring Workshop
Category :	F. Workshop on Student Outcomes
Type :	Information

Public Content

BACKGROUND:

On Thursday, October 16, commissioners conducted a school visit at one of three sites: Presidio Middle School, Lowell High School, and Balboa High School. The school visit included greeting students and parents in the morning, conducting classroom walkthroughs to observe instruction, and talking with students and teachers. Commissioners will share their school visit experiences and engage in a discussion to help inform the future monitoring of the districts goals and guardrails.

Subject :	2. Interim Guardrail 3.1 Progress Monitoring
Meeting :	Oct 28, 2025 - Regular Meeting: Monitoring Workshop
Category :	F. Workshop on Student Outcomes
Type :	Information

Public Content

BACKGROUND:

The SFUSD Board of Education is committed to effective governance focused on student outcomes and regularly engages in progress monitoring of the district's goals and guardrails as part of that commitment. Staff will present a progress monitoring report on Interim Guardrail3.1" High Quality Instruction." The report summarizes ratings on the "Essential Content" area of the Core Instruction Rubric, collected by TNTP, an external partner, during the September instructional walkthrough visits. This impact data is analyzed against the district's systematically collected data on the implementation of the language arts and literacy curricula and the math curricula. The analysis identifies facilitators and barriers to implementation and outlines a plan for next steps in strengthening high quality instruction.

Subject :	1. Types of Board Decisions
Meeting :	Oct 28, 2025 - Regular Meeting: Monitoring Workshop
Category :	G. Discussion Items
Type :	

Public Content

BACKGROUND:

As the Board continues our focus on student outcomes and effective governance, it is important that the Board and Superintendent have clarity on the types of decisions the Board makes and the role of the Board in the decision-making process. During the October 28 Board meeting, the Board will continue its discussion from the October 14 meeting about the types of decisions made by the Board.

H. Consent Calendar

Subject :	1. Consent Calendar Organization
Meeting :	Oct 28, 2025 - Regular Meeting: Monitoring Workshop
Category :	H. Consent Calendar
Type :	

Public Content

BACKGROUND:

The 2024-2025 Consent Calendar format has been changed to increase transparency and provide clarity on what the Board of Education is approving in consent. The consent calendar is now divided into categories based on the different type of items placed on the consent calendar.

The categories for the consent calendar are:

- **General Consent Items:** These are items that require board approval that meet the criteria to be on the consent calendar from Board Policy 9322 which states, "Consent items shall be items of a routine nature or items for which no Board discussion is anticipated and for which the Superintendent recommends approval."
- **Personnel Consent Items:** Routine personnel items are placed in this section of the consent calendar.
- **Finance Consent Items:** All contracts that require board approval or board ratification are in this section, except for facility, retroactive, and sole source contracts.
- **Facilities Consent Items:** The district engages in a lot of contracts related to our facilities and facility projects as other agreements (i.e. accepting state grant funds). These items are separated out for visibility.
- **Retroactive Contracts over 114,800K:** Contracted services are not supposed to begin until an approved contract is in place. Retroactive contracts are in this section along with an explanation as to why it is being brought forward as a retroactive contract and how this will be prevented in the future.
- **Sole Source Contracts:** The district typically will engage in a competitive bidding process for contracts. However, there are times when sole source contracts are necessary. These contracts are in this section with an explanation of why they are sole source.
- **MOUs (Memorandums of Understanding):** The district establishes MOUs with other organizations, typically public or non-profit organizations, for various purposes.

The Board of Education will take one action to approve the entire consent calendar which encompasses the categories noted above.

COST: \$10,510.00

SERVICE TERM: March 12, 2025 to March 25, 2026

SERVICES PROVIDED: Architectural (Part 2) Services Prop A Bond Program

BACKGROUND:

On November 12, 2024, the Board of Education approved [Master Agreements for a pool of architectural firms](#) to provide design services under the District's Proposition A Bond Program. This pool was developed through a Request for Proposals, which was publicly advertised ([RFQ SFUSD-FACBOND-AE-POOL #AE-FY25_001](#)). Twenty-six (26) architectural firms responded by submitting qualifications. These firms were evaluated on their ability to meet aggressive design schedules, their experience in school architecture, qualifications of key personnel and consultants, and hourly rates. The District selected 15 out of the 26 submitting firms, and proposed to enter into Individual Project Assignments (IPAs) for project assessment, design and construction services.

In February 2025, the Board approved [IPA #6167-A for Architectural \(Part 2\) services](#) for the Schoolyard Outdoor Learning Project at Abraham Lincoln High School. Scope of work is to provide Architectural and Engineering services for the project as described in Exhibit A, Part 2, of the Districts Standard Architecture Agreement, [Responsibilities And Services Of Architect](#).

This modification is for additional design work required to obtain certification from the Division of the State Architect (DSA) on previously uncertified projects at Abraham Lincoln High School. The District will be restricted in starting construction on the Schoolyard Outdoor Learning Project until the prior project documentation has been satisfied for DSA projects 01-60449, 01-101431 and 01-100137.

CONTRACT:Amendment #2 to Master Agreement #6152, Individual Project Assignment (IPA) 6152-A

COST: \$115,592.00

SERVICE TERM: October 29, 2025 to June 30, 2026

SERVICES PROVIDED: Architectural Assessment (Part 1) Services Prop A 2016 Bond Program

BACKGROUND:

On November 12, 2024, the Board of Education approved [Master Agreements for a pool of architectural firms](#) to provide design services under the District's Proposition A Bond Program. This pool was developed through a Request for Proposals, which was publicly advertised ([RFQ SFUSD-FACBOND-AE-POOL #AE-FY25_001](#)). Twenty-six (26) architectural firms responded by submitting qualifications. These firms were evaluated on their ability to meet aggressive design schedules, their experience in school architecture, qualifications of key personnel and consultants, and hourly rates. The District selected 15 out of the 26 submitting firms, and proposed to enter into Individual Project Assignments (IPAs) for project assessment, design and construction services.

This IPA is for the New Building Project at Jefferson Early Education School. Specifically, the District intends to reimagine the site with a new building replacing both the existing school building and bungalow, and a renovation of the schoolyard.

Scope of work is to provide Architectural assessment services for the project as described in Exhibit A, Part 1, of the District's Standard Architecture Agreement, [Responsibilities And Services Of Architect](#).

COST: \$0.00

SERVICE TERM: 10/11/2023 extended to 12/31/2025

SERVICES PROVIDED: Architectural (Part 2) Services Prop A Bond Program

BACKGROUND:

On March 7, 2017, the Board of Education approved a [pool of architectural firms](#) to provide design services under the District's Proposition A 2016 Bond Program. This pool was developed through a Request for Proposals, which was publicly advertised. Thirty (30) architectural firms responded by submitting qualifications. These firms were evaluated on their ability to meet aggressive design schedules, their experience in school architecture, qualifications of key personnel and consultants, and hourly rates. The District selected 19 out of the 30 submitting firms, and proposed to enter into contract agreements for project assessment and project design.

In October 2023, the Board approved [Contract No. 5824](#) for the Make Ready Project at Luther Burbank School. Scope of work is to provide Architectural and Engineering services for the project as described in Exhibit A, Part 2, of the Districts Standard Architecture Agreement, Responsibilities And Services Of Architect.

This modification extends the term of the contract an additional 159 days until December 31, 2025 at no cost to the District, due to design scope for replacement of water fountains and additional fencing, and an extended closeout period due to contractor material delays.

Recommended Action :	The Board of Education authorizes the District to enter into Memoranda of Understanding with the listed charter schools or charter management organizations to distribute Children and Youth Behavioral Health Initiative (CYBHI) funds. 2510-28M3

Public Content

BACKGROUND:

The District seeks authorization to enter into Memoranda of Understanding (MOUs) with the charter schools or charter management organizations listed below to facilitate the provision of services funded through the Children and Youth Behavioral Health Initiative (CYBHI):

Gateway Public Schools

City Arts and Leadership High School

Thomas Edison Charter Academy

KIPP Public Schools

Life Learning Academy

New School San Francisco Charter School

Established in 2021, CYBHI aims to expand access to behavioral health services for children, youth, and their families. The initiative supports school-based behavioral health programs available to students at district and charter school sites.

Under this program, the Department of Health Care Services (DHCS) distributes funds to charter schools through County Offices of Education. The proposed MOUs between the San Francisco County Office of

Education (SFCOE) and the identified San Francisco charter schools (or their management organizations) will enable SFCOE to receive CYBHI funding from DHCS and allocate the appropriate amounts to participating charter schools.

Subject :	31. Futility Resolution No. 2510-28Sp4 to enter into Contract for Student Meals
Meeting :	Oct 28, 2025 - Regular Meeting: Monitoring Workshop
Category :	H. Consent Calendar
Type :	Action (Consent)
Preferred Date :	Oct 28, 2025
Fiscal Impact :	Yes
Dollar Amount :	\$300,000.00
Budgeted :	No
Budget Source :	TBD
Recommended Action :	That the Board of Education approve Futility Resolution No. 2510-28Sp4 authorizing the District to contract with Revolution Foods without formal public bidding in an amount up to \$300,000.

Public Content

Background: Following a competitive Request for Qualifications and Proposals (RFQ/P No. PMDS-2020), the District and Revolution Foods entered into an Agreement for Meal Preparation and Delivery Services Contract Number PMDS-2020, dated June 8, 2021, for the Contractor to provide Strategically Sourced Prepared Meal & Delivery Services to District students at District schools, supported by federal grant funds.

Futility Resolution: The Districts Department of Student Nutrition Services ("SNS") requests that the Board adopt the attached Futility Resolution as outlined herein. SNS finds that at this time, there is no practical value in advertising for and receiving competitive bids for a new contract with Revolution Foods that contains a different scope than the existing contract because: 1) Revolution Food's quoted cost for the contract is reasonable and a new contract with another provider would likely increase District costs; 2) to keep continuity of the quality and necessary quantity of student meals, it is necessary to use one provider, Revolution Foods, for the contract for student meals; 3) competitive bidding for the contract would cause substantial delay to the Districts need to procure boxed student meals as outlined in the Resolution quickly; and 4) at this time, hiring a different provider to provide the student meals would cause coordination and interference problems with the Districts services in response to the exigency outlined in the Resolution, which may further increase District costs. Accordingly, SNS concludes that the foregoing reasons are sufficient to support a finding by the Board that it is in the District's best interest to authorize the letting of this contract to Revolution Foods, as it would be incongruous, futile, and unavailing to bid at this time publicly. Specifically, SNS requests a finding that it is in the best interests of the District to authorize SNS to enter into a contract for student meals with Revolution Foods, utilizing the terms, conditions, and pricing that are favorable to the District, and to bring the contract to the Board for ratification in accordance with Education Code 17605.
