The Union shall notify the District in writing of the change and the District will honor the unit member's deduction authorizations unless they are revoked in writing during the window period, irrespective of the unit member's membership in the Union.

5.7.3 All funds collected by the Board through deductions shall usually be remitted to the officer designated by the Union within ten (10) days after the 1st of each month for employees who have authorized such deductions.

5.7.4 The Union agrees to furnish any information needed by the District to fulfill the provisions of this Article.

5.10.4 The granting of the modification or waiver shall require the approval of seventy-five percent (75%) of the eligible voters at the site. If approval is granted, the BFT President shall execute a memorandum of agreement with the District that modifies, or waives the provisions of the labor agreement at issue. Memorandums of agreement that are executed as a result of this Article shall be valid for a period of one (1) year.

6. EQUAL EMPLOYMENT OPPORTUNITY AND NON-DISCRIMINATION CLAUSE

- 6.1 The Board and the Union subscribe to the principle of equal employment opportunity. Accordingly, neither the Board nor the Union shall discriminate, nor cause, nor attempt to cause the other to discriminate against any individual with respect to such individual's compensation, terms, conditions, or privileges of employment because of such individual's race, color, religion or religious creed, sex, national or ethnic origin, ancestry, physical or mental disability, medical condition, marital status, sexual orientation or age; provided, however, that the above prohibitions with respect to age are limited in accordance with Federal law to individuals who are at least forty (40) years of age.

The Board and the Union agree that the intent of this Article is to restate California and Federal law with respect to equal employment opportunity. Should any provision of this agreement, at any time during its life, be found in conflict with California or Federal equal opportunity laws, as such laws may be amended by legislation or interpreted by any appellate court, then such provision shall continue in effect only to the extent permissible under the applicable law.

- 6.2 The Board shall not discriminate against any certificated employee with respect to assignments, transfers, wages, hours, leave or discipline on the basis of pregnancy, life style, political affiliation, or membership in or affiliation with an educator organization, or those set forth in section 6.1 above.
- 6.3 Employment application forms and oral interviews shall omit therefrom any reference to the applicant's membership in or association with any educator organization which serves a collective bargaining function.

7. GRIEVANCE PROCEDURES

7.1 Definitions:

- 7.1.1 A "grievance" is a formal, written allegation that there is a violation or a dispute regarding the meaning, application or interpretation of a specific provision of this Agreement.
- 7.1.2 The Board shall provide a separate mechanism for the adjudication of alleged violations of law, Board policy and administrative regulations. Each year, the Board shall give to the Union, copies of the District's current policies and administrative regulations.
- 7.1.3 A "Grievant" may be any unit member covered by the terms of this Agreement including the Union with reference to violations of the Union's rights.

7.2 General Provisions:

- 7.2.1 The educator shall have the right to be represented by a Union representative or by any educator of their choice in their school, at any step of this procedure, including informal ones.
- 7.2.2 The Union shall be notified and have the right to respond to a resolution of any grievance regardless of the party filing the grievance. The Union shall have the right to be present at any hearing subject to the approval of the Grievant. If the Grievant refuses to give approval, the Union is released from any obligation to represent the Grievant at any subsequent level of the grievance procedure.
- 7.2.3 Failure to communicate the decision of a grievance at any step of this procedure within the specific time limit shall enable the Grievant to immediately proceed to the next level. However, time limits as specified herein may be extended at any time by the mutual written agreement of the grievant.
- 7.2.4 A grievance must be filed within thirty (30) working days after the alleged act or omission giving rise to the grievance, or after the Grievant should have reasonably known of the act or omission. A failure to file a written grievance within the time limit set forth herein shall be deemed a waiver of the grievance.

- 7.2.5 The failure of a Grievant to proceed from one step of the grievance procedure to the next within the time limits set forth shall be deemed an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance.
- 7.2.6 A grievance may be withdrawn at any level but that same grievance shall not be filed a second time by the same Grievant.
- 7.2.7 All claims for back wages and fringe benefits shall be limited to the wages and fringe benefits the Grievant would otherwise have earned, less all compensation received from any source of a like nature during the period when such pay and benefits were accumulating. Claims which are granted by the District shall be paid no later than the second (2nd) pay day after the date the grievance decision is rendered.
- 7.2.8 A decision in any individual case shall not require a retroactive wage adjustment in any other case.
- 7.2.9 Any grievance of Article 8 may be filed at the second (2nd) level of the grievance procedure.
- 7.2.10 No decision shall be contrary to this Agreement except by mutual agreement of the Union and the Board that such decision or adjustment shall not establish a precedent as to the interpretation of the Agreement.
- 7.2.11 The Union, in accordance with its local policy, may defend an educator's right to due process even if the Union does not justify the educator's actions.
- 7.2.12 By mutual agreement between the Union and the Board, if the substance of the grievance is substantially similar for each grievant, more than one (1) grievance may be heard at the same time. If the Board, or its designee, determines the circumstances of the grievances to be different, separate decisions may be rendered to Grievants.
- 7.2.13 If the substance of the grievance is substantially similar and the requested remedy is the same for all parties, a group grievance can be filed.

7.3 Procedure

7.3.1 Level One: Informal

Before filing a formal grievance, the Grievant will attempt to resolve the matter by informal conference with their supervisor or designee.

7.3.2 Level Two: Principal/Central Office Supervisor

If the matter is not resolved at Level One, a formal grievance may be filed. The Grievant shall forward a copy of the written grievance to the Grievant's Principal or Central Office Supervisor and the Human Resources Certificated Administrator. The written grievance shall be a clear, concise statement of the grievance. The following information shall be included to the best of the Grievant's knowledge and ability:

- a. A description of the general and specific grounds of the grievance, including the specific article and section of this agreement which is alleged to have been violated.
- b. All persons involved in the grievance shall be named, including a statement of times, places and events.
- c. A listing of the specific actions which the Grievant believes would best remedy the grievance.
- d. Five (5) working days after the receipt of the written grievance, a written response shall be made available to the Grievant by the Principal or Central Office Supervisor. In addition, one (1) copy shall be sent to the designated Union representative. At the request of either party, the Grievant and the Principal or Central Office Supervisor shall have an additional meeting and by mutual agreement the time limit for response from the Principal or Central Office Supervisor shall be extended.

7.3.3 Level Three: Superintendent

7.3.3.1 In the event the decision of the Principal or Central Office Supervisor is not satisfactory, the Grievant may appeal in writing to the Superintendent. Such appeal shall be made within five (5) working days of the receipt of the written decision of the Principal

or Central Office Supervisor. This appeal shall include a clear, concise statement of the reasons for the appeal.

7.3.3.2 The Superintendent shall investigate the grievance and, if necessary, confer with the parties involved. Either party may request a conference. Such conference shall be conducted within seven (7) working days after receipt of the appeal. However, the Grievant has the right to waive the conference and allow the Superintendent to issue a decision within a seven (7) working day period. In the event the Grievant requests a conference or agrees to a conference, such conference will occur within seven (7) working days of the appeal of the grievance and a decision shall be issued within seven (7) working days after the conclusion of the conference.

7.3.4 Level Four: Arbitration

7.3.4.1 Following receipt of the Superintendent's decision, the Grievant, through the Union, may request arbitration within fifteen (15) working days.

7.3.4.2 Before submitting a grievance to arbitration, the parties may submit the grievance to a State Mediator. The submission of the grievance to a State Mediator must be by mutual agreement. In the absence of a mutual agreement, the Union may request arbitration.

7.3.4.3 The request for arbitration may be withdrawn at any time prior to the hearing before the arbitration and shall not be refiled.

7.3.4.4 General rules governing arbitration:

- a. The parties shall select a mutually acceptable arbitrator. Should they be unable to agree on an arbitrator within ten (10) working days of the Union's submission of the grievance to arbitration, a list shall be requested from the State Mediation and Conciliation Service. After this list is received, each party may reject one (1) entire list. Assuming the list is not rejected, the parties shall alternately strike names until a single arbitrator remains who shall serve as arbitrator.

- b. The arbitrator's decision will be in writing and will set forth the arbitrator's findings of fact, reasoning and conclusions on the issues submitted. The arbitrator will be without power or authority to make any decision which requires commission of an act prohibited by law or which violates the terms of this Agreement. Additionally, the arbitrator does not have the authority to modify, add to, delete, or ignore any provision or term of this Agreement. The decision and award of the arbitrator will be final and binding upon the parties of this Agreement, except for court review pursuant to Code of Civil Procedure Sections 1285 - 1288.8.
- c. All costs for the services of the arbitrator, including but not limited to, per diem expenses, the arbitrator's travel and assistance expenses and the cost of any hearing room will be borne equally by the District and the Union. All other costs will be borne by the party incurring them. Concerning transcripts, the cost shall be equally borne by the parties if the transcript is requested by the arbitrator or both parties. If a copy of the transcript is requested by only one (1) party, that party shall incur the expense.
- d. By mutual agreement of the parties, the expedited labor arbitration rules of the American Arbitration Association may be used. In the event this mutual agreement does not exist, then the provisions as set forth above shall apply.
- e. The arbitrator shall issue the decision and award within thirty (30) days after submission of the matter (including briefs, if any) unless extenuating circumstances are present.

8. TRANSFER

8.1. Definition

A transfer is a relocation of an educator from one worksite to another. A transfer is also a change in an Adult School or Early Childhood Education teacher's shift (i.e., evening to morning, morning to afternoon). It is the intention of this Article to provide an equitable method of relocating staff with the objectives of:

- a. Meeting the needs of the District's students
- b. Minimizing the need to lay off certificated employees
- c. Maximizing the benefits of reducing staff through attrition when faced with declining enrollments
- d. Matching teaching skills with existing or anticipated vacancies
- e. Matching interests of educator with existing or anticipated vacancies
- f. Meeting the programmatic needs of the District.

8.2 Criteria for Transfer

The transfer of educators will comply with all aspects of Education Code Section 35036. These criteria apply to transfers completed by April 15 of the year before the transfer is to occur.

8.2.1 Whenever candidates apply for a vacant position, currently employed permanent educators shall be selected over candidates from outside the District when the currently employed educators meet the following criteria:

- 1) have an overall summative evaluation rating of proficient or distinguished that does not include "needs improvement" or "unsatisfactory" ratings on the most recent completed evaluation.
- 2) satisfy or meet the requirements of the position as defined by program needs identified in the position announcement. Program needs may include credential, certification, and/or teaching

experience in the credentialed area, minimum years of teaching experience, and specialized training that addresses the specific programmatic needs of the school and the District.

8.2.2 If more than one (1) currently employed educator applies for a vacant position, and the educator meet the above criteria, then the candidate shall be selected based on the following criteria, if the posting and hiring is completed by April 15:

a. Certification of the educator in relation to the requested position.

b. Program needs

Definition: The program needs criteria are satisfied if the District can show that the particular skills and abilities possessed by the educator fit the skills and abilities that are desirable to a successful performance of the position. When program needs are cited by the District for a transfer decision or a reassignment, the District, on request from the transferee, is required to specify in writing those skills and abilities that were considered.

c. Seniority

8.2.3 No interview for a position may be conducted until after the posting period for that position has been closed.

8.2.4 Teacher on Special Assignment (TSA) Positions

All educators leaving the classroom to take a TSA position shall have return rights for one (1) year only to the same school/department that they held immediately preceding the special assignment. If at the end of that one (1) year, there is no open position at the school or department due to a decrease in staffing allocation, the TSA will become a part of the staff members considered for involuntary transfer based on criteria established herein.

8.3 General Provisions

8.3.1 A vacancy for the purpose of transfer is one that has not been filled by reassignment.

8.3.2 All new vacancies, including District (but not site) TSAs will be posted electronically, at the District Human Resources Department, the BFT

office, and at school sites as soon as they become known. Each job posting which will include FTE, school site, grade level or subject and other specific credential or program identification (i.e., bilingual, CLAD, special education) if applicable, will be advertised electronically by posting on the District certificated conference (or successor electronic communication system) and sent by email to each educator's District email address.

8.3.2.1 District TSA positions will be posted. Site TSA positions will be announced at a staff meeting and published in the principal's weekly bulletin. All TSA positions are not subject to the transfer policy, beyond the posting of District TSA positions.

8.3.3 Vacant positions will be posted for three (3) working days.

8.3.4 Vacancies which occur more than forty-five (45) days (less than 75%) of the days of the work year) after the beginning of the school year shall normally be filled on a temporary basis. Vacancies, unrelated to a leave of absence, which occur less than forty-five (45) days (more than 75% of the days of the work year) after the beginning of the school year shall normally be filled on a probationary basis. All vacancies filled on a temporary basis shall be re-advertised for the following school year in order to allow interested educators to apply.

8.3.5 The Human Resources Department will notify BFT of each new hire. Notification shall include information on any new educator hired to the District which lists for each: the school site, FTE, and step and column placement.

8.3.6 For purposes of the transfer policy, music teachers, school psychologists, behavior analysts, and providers of Designated Instructional Services (DIS)/Providers of Related Services, with the exception of Speech and Language Pathologists (SLPs), will be considered assigned on a District-wide basis.

8.3.7 All teachers presently working in the District Early Childhood Education Program with credentials which permit them to serve in the TK-12 program may be transferred to TK-12 classes where vacancies exist. Teachers in the Early Childhood Education Program may apply for vacant positions in the TK-12 program.

8.3.8 Teachers in the TK-12 program who voluntarily transfer into the Early Childhood Education Program, the Adult School, or the Independent Study program shall be paid on the salary schedule or hourly wage schedule of the corresponding program.

8.4 Educator Initiated Transfer

- 8.4.1 An educator requesting transfer may apply for a specific vacancy once it has been posted. The application for transfer shall include the following: credential held, subject and/or grade level desired, areas of interest or training in which the educator is proficient or capable of performing.
- 8.4.2 Educators' requests for transfer shall be submitted to the Human Resources Certificated Administrator on the appropriate transfer request form. The Human Resources Department will provide BFT with notification of all transfer requests after the posting has closed.
- 8.4.3 Educators who do not receive a requested transfer to fill a specific vacancy shall receive notification from the supervisor thereof within five (5) days of the filling of the vacancy. Upon the educator's written request, the supervisor shall discuss with the educator the reasons for the denial of transfer or issue a written response to the educator.
- 8.4.4 Educators who have been granted and have accepted a transfer are precluded from applying for voluntary subsequent transfers until they have completed one (1) year in that new assignment. A transfer may be given by mutual consent of the District and the educator.

8.5 Involuntary Transfers

- 8.5.1 Involuntary transfers are primarily necessitated by vacancies created by decreased student enrollment, attrition, change in enrollment patterns or modifications in program and facilities. (See Appendix 4)
- 8.5.2 Before any involuntary transfer is initiated, the Superintendent shall seek to fill vacancies with voluntary transfers (Section 8.4). If no one volunteers, the involuntary transfer shall take place based on and in the order of the criteria set forth in Section 8.2 a.-c.
- 8.5.3 Involuntary transfers following three (3) full weeks of instruction after the start of the semester shall be considered unusual and specifically designed

to fill existing vacancies, newly created vacancies, or for program necessities.

- 8.5.4 Educators involuntarily transferred shall not be transferred in the following two (2) years unless the closure of a building or failure to transfer the educator would require a new hire.
- 8.5.5 The provisions of sections 8.5.1, 8.5.2, 8.5.3 and 8.5.4 shall not apply to transfers involving categorically funded projects.
- 8.5.6 Educators shall be transferred at the discretion of the Superintendent, with as much advance notice as is practical, when irreconcilable staff differences exist; when a critical absence of a learning environment exists; when abuse or danger to students exists; or in emergency circumstances. This provision operates separately from Sections 8.5.1 through 8.5.5 and 8.5.12.
- 8.5.7 TSAs may be transferred at the discretion of the supervisor, consistent with the criteria set forth in this section 8.5.
- 8.5.8 Educators who are involuntarily transferred ten (10) days before the start of school, or during the school year, upon request, shall receive two (2) days of release time in the new assignment for preparation purposes prior to the assumption of the new position, or at a time mutually agreed upon by the educator and receiving administrator. Early Childhood Education teachers are excluded from this provision, except when opening a non-operating facility. The provisions of this section will not apply when there is a necessity to close all or part of a school facility.
- 8.5.9 Educators involuntarily transferred shall be provided assistance by the District in the moving of boxes and equipment from the old location to the new location. Educators shall be paid up to twelve (12) hours at the curriculum development rate if packing, moving and unpacking is done beyond the paid duty day or outside the normal school year.
- 8.5.10 In consultation with the supervisor, an educator transferred involuntarily after September 1 shall receive, upon request, up to two hundred dollars (\$200) for that year to be used to purchase teaching supplies for the new assignment. Support staff are excluded from this provision. Early Childhood Education teachers are excluded except when opening a

non-operating facility. The provisions of this section will not apply when there is a necessity to close all or part of a school facility.

- 8.5.11 Involuntary transfers shall not be used for punitive purposes or in the place of a proper performance review.
- 8.5.12 Upon written request, educators involuntarily transferred from a school shall be given the option to fill a vacancy occurring at that school within one (1) year after the year in which the transfer was made provided that they hold the proper credentials and further provided it is not for reasons cited in Article 8.5.6. This section is subject to Education Code Section 35036.
- 8.5.13 In cases of involuntary transfers resulting from the closing of all or part of a school, the District will make reasonable efforts to place transferred educators in a comparable assignment at another school as openings become available. In the event a closed school is subsequently reopened, the provisions of Section 8.5.12 shall apply.
- 8.5.14 Educators who are involuntarily transferred due to opening/closing/moving of a school shall receive up to twelve (12) hours of pay at the hourly curriculum development rate for the purpose of moving to the new school site as well as unpacking at the new school site. These services must be provided beyond the regular seven (7) hour ten (10) minute duty day and prior written approval to work must be obtained from the school principal.
- 8.5.15 To the extent possible, site assignments will be given to educators by the last day of school.

9. REASSIGNMENT

9.1 Definition: A reassignment is a change in grade level at elementary schools or a change in the department/subject matter field of an educator within secondary or adult schools. For purposes of the reassignment policy, educators in the following services shall be assigned on a District-wide basis:

9.1.1 Music teachers

9.1.2 Psychologists and Behavior Analysts

9.1.3 Providers of Designated Instructional Services (DIS)/Providers of Related Services

9.1.3.1 Speech and Language Pathologists shall not be assigned to more than one of the following:

9.1.3.1.1 Two (2) school sites; or

9.1.3.1.2 One (1) school site and one (1) assignment that does not involve providing services directly to students (e.g. assessments, assistive technology, assistive and augmentative communication).

9.2 General Provisions

9.2.1 Supervisors shall consider educator preference when making educator assignments.

9.2.2 If the change in assignment necessitates a move from one classroom to another, the educator shall receive assistance in moving to the new classroom.

9.3 Educator Initiated Reassignment

9.3.1 Educator Initiated Reassignment: Educators may request a reassignment within the school by submitting a written request to the supervisor.

9.3.2 All educators who do not receive a requested reassignment to fill a specific vacancy shall receive from the supervisor, notification thereof within three

(3) days of the filling of the vacancy. If the educator requests, the reasons for the denial shall be placed in writing.

9.4 Involuntary Reassignment

- 9.4.1 Before an involuntary assignment to a vacant position, the supervisor shall inform staff of any unfilled assignments, and ask for volunteers. The supervisor has the discretion to determine who will be reassigned.
- 9.4.2 In consultation with the supervisor, an elementary teacher involuntarily reassigned during the school year, upon request, shall receive up to two hundred dollars (\$200) for that year to be used to purchase teaching supplies for the new assignment. Support staff and Early Childhood Education (ECE) Program teachers are excluded from this provision. The provisions of this section will not apply when there is a necessity to close all or part of a school facility.
- 9.4.3 TK-12 classroom educators involuntarily reassigned within ten days before the start of school or during the school year to teach a different grade level they have not taught within the previous two (2) years shall be provided two (2) days of release time for preparation purposes before the assumption of the new position/assignment or at a time mutually agreed upon by the educator and the receiving administrator. Early Childhood Education teachers are excluded from this provision.
- 9.4.4 Involuntary reassignments shall not be used for punitive purposes or in the place of a proper performance review.
- 9.4.5 TK-12 educators will be given notice of their intended assignment for the Fall semester no later than the last day of school. Educators whose assignment changes over the summer recess shall be notified as soon as possible.
- 9.4.6 Educators involuntarily reassigned shall be provided assistance by the District in the moving of boxes and equipment from the old location to the new location. Educators shall be paid up to twelve (12) hours at the curriculum development rate if packing, moving and unpacking is done beyond the paid duty day or outside the normal school year.
- 9.4.7 Educators who are required by a supervisor, including principals and vice principals, to move classrooms shall be paid up to twelve (12) hours at the

curriculum development rate if packing, moving and unpacking will be done beyond the duty day or outside the normal school year. This section shall apply to grades pre-kindergarten through twelfth grade, and to teachers at the Berkeley Adult School.

9.5 Special Education

- 9.5.1 A Special Education educator whose site assignment is completely changed after the third week of school shall be informed that they may receive two (2) days of release time for preparation purposes.
- 9.5.2 Special Education educators who are involuntarily reassigned to a different category of teaching (e.g., Resource Specialist to Special Day Class) shall be informed that they are entitled to two (2) days of release time for preparation purposes
- 9.5.3 Special Education educators shall not be reassigned after three (3) weeks of instruction unless there is a shift or increase in the District's student population in the Special Education Program.

9.6 Adult Education

- 9.6.1 Assignments of bargaining unit hourly teachers to new positions for which they apply shall be granted or denied by the Superintendent or the Superintendent's designee based on the following unranked criteria:
 - a. Certification of the teacher in relation to the requested position
 - b. Program Needs
Definition: The program "needs criteria" is satisfied if the District can show that the particular skills and abilities possessed by the teacher fit the skills and abilities that are desirable to a successful performance of the position. When program needs are cited by the District for a transfer decision or a reassignment, the District, on request from the transferee, is required to specify in writing those skills and abilities that were considered.
 - c. Seniority
- 9.6.2 In addition, the following provisions apply in assignments of bargaining unit hourly teachers to new positions:

- a. A teacher who has taught a class the previous four (4) semesters to the satisfaction of the District, shall have priority in teaching that class (subject, time, and location) the next time it is offered.
 - b. If an Adult Education teacher does not qualify to teach a new course by the time it begins they shall have a reasonable time to upgrade their skills. The District can temporarily replace the teacher for that time period.
 - c. By March 1st of each year, the administration shall inform the staff of any possible program/curriculum changes.
 - d. Bargaining unit hourly teachers shall receive preferential consideration for hourly assignments for which they are credentialed.
 - e. Notices for hourly positions shall be posted at all Adult School locations announcing all new and vacant positions at the Berkeley Adult School.
- 9.6.3 Effective December 1, 2010, in the event of course reductions or cancellations in any Berkeley Adult School course, except the fee-based courses, the following will apply:

9.6.3.1 Seniority is determined by the first date of non-substitute teaching service at Berkeley Adult School. All courses which are listed on the Berkeley Adult School schedule by the start of the term, and all courses considered to be temporary yet are taught by the same teacher for at least seventy-five percent (75%) of the school year, will apply toward the terms and criteria of the provision.

9.6.3.2 For purposes of reduction in assignment, all Berkeley Adult School teachers (not merely bargaining unit members) from all sites in all time periods (morning, afternoon, and evening classes) are grouped together by department on one (1) seniority list per department. Seniority lists shall be created for the following departments: Off Site (Senior Programs, Frail and Disabled), ESL, Academic (High School Diploma, ABE and GED) and CTE. Employees may be listed on more than one (1) seniority list if they previously served at the Berkeley Adult School in more than one of the above-listed departments.

9.6.3.3 A senior teacher who undergoes a reduction in assignment due to course reductions or cancellations will have bumping rights to the position of the least senior teacher in the same department whose class the senior teacher is credentialed to teach and whose subject matter the senior teacher has previously taught within the last five (5) years in the Berkeley Adult School. This shall continue until the senior teacher has been restored to their full current assigned hours per week. Subject matter areas for the purpose of this section are defined in Appendix 25. The parties shall jointly determine placement of new courses or course titles in Appendix 25. The teacher has the choice of accepting that position or undergoing a reduction in assignment as a result of a course reduction or cancellation.

9.6.3.4 Teachers who undergo a reduction in assignment as a result of course reductions or cancellations will be notified in writing during the Adult School work year, via certified mail or hand-delivery. The teachers who may be bumped will be notified at the same time. If a teacher is offered bumping rights, the notice will state and include details of the bumping options. The teacher with bumping rights must let the District know by the specified date, if they wish to exercise those bumping rights. The bumping teacher shall have at least five work days to respond if notified by mail or three work days if notified via hand-delivery. Failure to respond by the specified deadline will be construed as the teacher not exercising those bumping rights. If bumping is to occur, the affected less senior teacher will then also be notified in writing according to the procedures in this paragraph.

9.6.3.5 New teachers will not be hired until the eligible teachers on the rehire list are offered the position and decline the rehire offers.

9.6.3.6 Teachers who undergo a reduction in assignment as a result of course reductions or cancellations have rights to be rehired for one (1) calendar year and must be offered open positions in order of seniority for which they meet the requirements of section 9.6.3.3. The most senior teacher impacted by course reductions or cancellations will have two (2) rights of refusal within the rehire calendar year.

9.6.3.7 Rehired Berkeley Adult School teachers will be reinstated with the same Berkeley Adult School step placement, seniority based on the first date of non-substitute paid teaching service in the Berkeley Adult School, and benefits available to other Berkeley Adult School teachers at the time of rehire.

9.7 Independent Study

- 9.7.1 Bargaining Unit Independent Study teachers' assignments shall be made on the basis of teacher credentials, the educational needs of the program, and the provisions of the contract. The responsible administrator shall have discretion in making the above determination.
- 9.7.2 By February 1 of each year, teachers who wish to be considered for any new subject areas will notify their supervisor. By March 1 of each year the supervisor will notify staff of any known program/curriculum changes. Within thirty (30) days the supervisor will inform the teacher requesting qualification to new areas, of the result of their request.
- 9.7.3 If an Independent Study class taught by a teacher is closed because of loss of enrollment, the teachers' assignment will be adjusted in subsequent quarter(s) to make up for the loss. Added students or classes may also be assigned as an alternative, taking seniority and qualifications into account.
- 9.7.4 After two (2) years of continuous service, teachers will be placed on a seniority list based on the first date of service, for layoff purposes.
- 9.7.5 Full-time status will be based on thirty (30) hours of teaching per week for hourly employees; added teaching time will also be paid at the hourly rate.
- 9.7.6 In the event of a layoff, persons with more than two (2) years of service will be reduced based upon seniority and established qualifications in the subject areas. At least thirty (30) days' notice will be provided. Reduction in force applied to those with less than two (2) years' service will not be by seniority, but they will have rehire rights for twenty-four (24) months in preference to outside applicants for positions in which they qualify. Laid off teachers with more than two (2) years' service will enjoy rehire rights for positions in which they qualify for thirty-nine (39) months. Any disputes on layoffs shall be resolved by meeting of the parties within thirty (30) days of the notice of layoff (a copy which must be served on the

union) and submission to expedited arbitration, upon notice to the District within fifteen (15) days of the meeting. The provisions regarding layoff and assignment of classes do not apply to salaried teachers assigned to Independent Study nor to retired employees in the program.

- 9.7.7 Nothing in the agreement forfeits any Independent Study teacher's rights to permanent or probationary status.

For any days beyond the ten (10) days, the Principal shall review on a case by case basis the budget impact of such a request. In the fall of each year, the Berkeley Federation of Teachers and the District shall review the effect of this process and if there is not a negative impact the practice shall be continued. Early Childhood Education staff non-duty days carried forward shall be used within the fiscal year only.

10.1.5 The State Preschool teacher will remain on the TK-12 salary schedule and will be subject to the Early Childhood Education contractual provisions regarding workday. The work year begins on the first TK-12 contractual day and ends on June 30.

10.1.6 Elementary Conference Day: One (1) of the elementary teacher non-instructional work days is designated as Parent Conference Day. Teachers shall follow the calendar schedule of conferences unless a teacher presents to the principal an alternative schedule arranged with the parents that will result in all student/parent conferences being completed by the last scheduled day of conferences on the District calendar. When such a schedule is presented, the teacher may exercise the option of not being on the site on all or part of the non-instructional day.

10.1.7 State Preschool Conference Days: There shall be two (2) conference days at the start of the year for State Preschool teachers.

The content of the agenda for staff development days conducted at the site level shall be determined by local site staff and administration.

- 10.6.1 Part-time educators shall attend staff development days and submit a timesheet for hours in attendance beyond their part-time status (i.e. a fifty percent (50%) FTE educator would submit a timesheet for all hours in attendance beyond three and one-half (3.5) hours). Part-time educators will be paid for extra staff development day hours at the per diem rate. The intent of this language is that part-time educators and full-time educators are paid equally for the staff development days when part-time educators work the same number of hours as full-time educators on these work days. Part-time educators will submit a timesheet with their extra FTE listed and “per diem” listed as the pay type.
- 10.6.2 Any staff member who misses a Staff Development Day shall be allowed to attend a make-up day scheduled by the District. The District shall schedule one (1) make-up day each year. Staff Development Days that become part of the work year are not subject to sick leave.
- 10.6.3 Staff Development Day Make-up Day Appeal: Should an educator have extenuating circumstances that prevent them from attending a Staff Development Day, and should the educator request that the make-up day requirement be waived, that educator may make an appeal in writing. Written appeals will be reviewed by a District/BFT Staff Development Make-Up Day Committee comprised of a maximum of three (3) District appointed members and a maximum of three (3) BFT appointed members. Any waiving of the make-up day requirement must be by a unanimous vote of the Committee.
- 10.6.4 The District and BFT shall mutually agree to the scheduling of Staff Development Days as part of establishing the annual school year calendar.

There shall be two (2) additional days of staff development at Berkeley Adult School whose dates are aligned with the District-wide staff development days for all staff and for elementary staff. For all four (4) of these staff development days, the Principal's Cabinet will give input on the goals and plans for the day.

- 11.1.1 Unless otherwise set forth in this Agreement, the duty day for teachers covered by this Agreement shall be seven (7) consecutive hours and ten (10) minutes per day, including a thirty (30) minute duty-free lunch period or thirty-five (35) hours and fifty (50) minutes per week. The duty day for support staff and Speech and Language Pathologists covered by this Agreement shall be eight (8) hours per day, including a thirty (30) minute duty-free lunch period and two (2) ten (10) minute breaks. All duty time shall be spent at the work site, except with the approval of the Principal.
- 11.1.2 Certificated employees covered by this Agreement shall be entitled to a minimum of a thirty (30) minute duty-free lunch period. This period shall be exclusive of any time required to escort students to lunch lines and of legally required passing time. At the K-5 (elementary) schools, up to ten (10) minutes shall be provided for such passing time. The thirty (30) minute lunch period shall be an uninterrupted period of time.
- 11.1.3 Hours of employment for part-time educators may be prorated on a yearly basis.

12.2.6 Sick leave may be used for personal illness, including quarantine, disability and necessary appointments for health treatment.

12.2.7 Principals shall cooperate with educators to enable doctor visits to be handled with minimum loss of teaching and service time to the District. It is further agreed that educators in the bargaining unit will endeavor to schedule doctor visits during non-teaching time whenever practical.

12.2.8 During a leave of absence, an educator shall maintain any prior accumulated sick leave, but shall not accumulate any additional sick leave.

12.2.9 There shall be no loss of sick leave for illnesses or communicable disease contracted through work or work-related accidents provided that an award of worker's compensation claim has been granted.

- 12.2.10 An educator who desires to check the District's sick leave records of their own absence(s) will be provided access to the available records within ten (10) days of the written request. - 12.2.14 When a unit member is absent for five (5) consecutive working days or less, no verification is required. The District may require verification of illness, injury or quarantine from a licensed physician, licensed medical care provider or nurse practitioner, when the absence exceeds five (5) consecutive work days.
- 12.2.15 When a unit member is absent for five (5) consecutive working days or less, no verification is required. The District may require verification of illness, injury or quarantine from a licensed physician, licensed medical care provider or nurse practitioner, when the absence exceeds five (5) consecutive work days.

12.3 Extended Sick Leave

An educator absent from duty for reasons of illness or accident for a period of one hundred (100) duty days or less from the date of the expiration of the accumulated sick leave shall receive the difference between their salary and the actual cost to the District of a replacement employee to fill the position during the absence. If no replacement is employed, the salary cost to the District shall be the salary shown on Column II, Step 1 of the applicable salary schedule.

Concerning the above-referenced one hundred (100) duty days or less of extended sick leave, the educator shall continue to receive the same level of District health benefits coverage as before the illness or accident as long as it is consistent with legal limitations and restrictions placed by the various insurance carriers.

12.4 Child Rearing Leave and Parental Leave

An educator may take either child rearing leave pursuant to section 12.4.1 below, or parental leave pursuant to section 12.4.2 below, but not both, in connection with the arrival of a new child either through natural birth, foster care, or adoption of a child.

12.4.1 Child Rearing Leave

- 12.4.1.3 During the first eighty-nine (89) days of child rearing leave, the educator shall receive twenty-five percent (25%) of their own salary. The eighty-nine (89) working days (excluding all weekends, holidays and school recesses) must be consecutive with the date of the arrival of the child. Once an educator returns to duty, the child rearing leave and all of its provisions shall be terminated. If, however, a returning educator who has not used the full child rearing leave then becomes ill with a childbirth related illness, they shall be reinstated up to the total child-rearing leave allowance. Concerning the above-referenced eighty-nine (89) days of child rearing leave, the educator shall continue to receive the same level of District health benefits coverage as before the

leave as long as it is consistent with legal limitations and restrictions placed by the various insurance carriers.

- 12.4.1.4 After the eighty-nine (89) days of child rearing leave as provided for above have been fully utilized, the educator shall, upon written request submitted not later than twenty (20) working days prior to the expiration of the above-referenced eighty-nine (89) days of child rearing leave, be placed on extended child rearing leave until the end of the school year. Extended child rearing leave is provided without pay.

12.4.2 Parental Leave

- 12.4.2.1 An educator may use their sick leave for the birth of a child of the educator, or the placement of a child with the educator in connection with the adoption or foster care of the child by the educator for a period of up to twelve (12) workweeks.

- 12.5.3 Bereavement leave shall not be deducted from accumulated days of sick leave, nor is bereavement leave cumulative.

12.5.4 Educators may utilize the provisions of bereavement leave for one (1) occurrence other than that provided in the Education Code. This provision is to enable an employee to be granted bereavement leave for a person with whom the employee has a unique relationship. The employee shall exercise this provision only with the prior approval of their site administrator unless unforeseeable conditions preclude such prior approval. Upon request, the reasons for denying such leave will be provided in writing.

12.6. Personal Necessity Leave

12.6.1 An educator may use up to a maximum of nine (9) days of accumulated sick leave annually in cases of personal necessity listed in Section 12.6.2 below. Whenever possible, a request for this leave shall be made in writing to the immediate supervisor prior to taking the leave or in any event no later than twenty-four (24) hours following the start of the personal necessity leave. It is understood that Personal Necessity Leave is for instances of personal need, not for recreational purposes, vacation, travel, or that which is related to activity for which the educator may receive additional remuneration. The District may request the reason for Personal Necessity Leave days if there is reasonable doubt regarding this use.

12.6.3 In the event such Personal Necessity Leave absences extend beyond the nine (9) days available, additional approved absences shall be deducted from salary. The amount of the deduction shall be the number of working days absent times the daily rate of pay. The daily rate of pay for educators shall be the annual salary divided by the number of days in the annual school year as defined in California Code of Regulations 13520.

12.7 Jury Duty

12.7.1 An educator who receives a jury interview and appearance notice must notify the Human Resources Department within two (2) days of receipt of such notice or upon receipt of notice if notice is received less than two (2) days before the appearance is required.

12.9 Military Leave

- 12.9.1 Leaves may be granted for government ordered military services. Compensation during such leaves will be full salary for a maximum of thirty (30) days. Compensation received in performance of the above duties shall be subtracted from compensation which would normally be provided by the District consistent with applicable laws and regulations.
- 12.9.2 All educators who are reserve members of the Armed Forces are required to make every effort to arrange for active duty training during their vacation period. However, if there are circumstances wherein reserve or draft deferred status would thereby be jeopardized, or if there are extenuating circumstances, the educator shall file a written request with the Human Resources Certificated Administrator giving full particulars therein before requesting orders for active duty training. A copy of the educator's military order shall be provided to the Principal and to the Human Resources Certificated Administrator as soon as available.

If school or District finances cannot provide a substitute for a person requesting the leave, the employee may propose to pay for their own substitute.
- 12.10.2 Such leave must be requested sufficiently in advance to allow the Superintendent or designee to arrange for an appropriate substitute in the event the leave is granted.
- 12.10.3 The Superintendent or designee may at their discretion reimburse certificated employees for expenses incurred, i.e., transportation, lodging, meals and registration or other fees.
- 12.10.4 The request for leave under this provision should specify whether regular compensation is requested. In the event compensation is requested, this request and the request for the leave itself will either be approved or denied by the Superintendent or designee.
- 12.10.5 There is no obligation that the Superintendent or designee approve any such leave as provided in this section, nor is there any obligation to establish preferences between requests other than what is deemed by the Superintendent or designee as in the best interests of the District.

12.11 Civic Participation Leave

- 12.11.1 An educator who is elected to or appointed to an office in a federal, state, county, or municipal government or subdivision shall be granted unpaid leave upon written request.

The Sabbatical Leave Committee shall be responsible for making recommendations to the Superintendent as to the acceptance or rejection of proposals based on standards developed by the committee. The sabbatical leave committee shall be composed of five (5) faculty members mutually appointed by the Superintendent and the BFT President. There shall be a nonvoting chairperson designated by the Superintendent. Paid sabbatical leave proposals are to be restricted to the academic growth of the applicant and must demonstrate a potential enrichment to the District's curriculum or instructional programs.
- 12.12.2 Paid sabbatical leave proposals must be submitted to the Sabbatical Leave Committee no later than March 1. The standards and recommendations developed by the Sabbatical Leave Committee shall be submitted to the Superintendent by April 1. Educators who submit sabbatical proposals shall be notified of the acceptance or rejection of said proposals by April 15. Educators awarded a paid sabbatical leave are obliged to return to employment in the District for a minimum of two (2) years, or less with the approval of the District.
- 12.12.3 Compensation during the period of sabbatical leave shall be calculated as follows:
The total salaries of all employees receiving sabbaticals, minus total salaries of all replacement employees, divided by the number of sabbaticals being awarded, equals salary for each sabbatical leave grantee.

Example:

\$400,000 (Total salaries of employees receiving sabbaticals)

-300,000 (Total salaries of replacement employees)

\$100,000

\$100,000 divided by 10 sabbatical leaves equals \$10,000
\$10,000 = salary for each leave grantee

If no specific replacement is employed, the salary cost to the District shall be the salary shown on Column II, Step I of the applicable salary schedule.

For sabbatical leaves "...salaries of all employees..." referenced in paragraph 2 of Section will include the selected teacher's full FTE, including any portion of which the educator may have been in a leave status during the previous year.

Any educator being in a partial leave status for more than one (1) year will have their full FTE adjusted to reflect the percentage of time they have actually been working, for purposes of calculating sabbatical compensation. The employee shall continue to have their full FTE for employment purposes upon their return.

- 12.12.4 The sabbatical leave grantee shall enjoy the right to purchase District coverage under the District medical/dental programs. Such leave shall count as an additional year of service for salary schedule advancement.

12.13 Union Leave

- 12.13.1 Request for leave pursuant to this Section shall be governed by the requirements set forth in Section 12.1 of this Article, except such leave shall be granted if requested prior to the semesters for which the leave is requested.

- 12.13.6 The Board shall provide release time for investigating or resolving grievances. Such time shall usually be limited to a total of one-half (1/2) day per week for the persons where designated by the Union President.
- 12.13.7 If the person(s) designated by the Union President has a non-teaching assignment, an amount equal to the actual compensation the employee receives during the time released under the contract provision, not to exceed thirteen thousand three hundred fifty dollars and thirty eight cents (\$13,350.38) per year for 2022-23 leave, shall be paid to the Berkeley Federation of Teachers. The thirteen thousand three hundred fifty dollars and thirty eight cents (\$13,350.38) shall be increased by the average salary increase given in subsequent fiscal years.

12.14 Medical Leave Without Pay

Medical leave without pay shall be granted upon receipt of a letter from the educator's licensed medical practitioner verifying the need for such leave. However, such leave is subject to additional verification by a District-appointed licensed medical practitioner (as provided for in this Article, Section 12.17), if the Board has substantial reason to believe that there has been abuse by the individual. Concerning the above-referenced medical leave days without pay, the educator shall continue to receive the same level of District health benefits coverage as before the illness or accident as long as it is consistent with legal limitations and restrictions placed by the various insurance carriers.

- 12.15.1 Participation shall be voluntary, but permitted for all educators covered by this Agreement and included in the bargaining unit.
- 12.15.2 Each educator who desires to participate shall sign up within ten (10) days after the start of the school year or within the open enrollment period and shall then be a member for the entire school year.

- 12.15.3 A committee established by the Union to govern the Bank shall determine the initial contribution necessary to join the Bank, as well as any additional contributions necessary in the future.
- 12.15.4 Each participant may draw sick leave from the bank after their regular sick leave (including all accumulated sick leave) is exhausted. All leave drawn from the Bank shall be approved by the committee. The committee shall establish rules governing applications and withdrawals from the Bank, which shall be nondiscriminatory and consistent with State law. Administrative procedures shall be the responsibility of the Sick Leave Bank's Governing Committee.
- 12.15.5 If there are days remaining at the end of the year, they shall be credited to the Sick Leave Bank for the next school year.
- 12.15.6 Under no circumstances shall sick leave be provided to a user unless the user has exhausted their total accumulated sick leave.
- 12.15.7 It is understood that if the governing committee deems the Bank inoperable, it shall return to those employees those days contributed or the remaining fraction thereof.

12.16 General Provisions

- 12.16.1 All leave requests pursuant to the provisions of this Agreement shall be made in writing.
 - 12.16.1.a.  - 12.16.1.b. Unit members holding positions which do not normally require substitutes shall notify the Substitute Management System no later than one (1) hour prior to the first working hour of the first day absent, except in case of an emergency.
 - 12.16.1.c. The intent of this section is that the unit member will notify the District of a pending absence so that the District has a reasonable amount of time to arrange for substitute coverage and so that the unit member's leave balance can be properly deducted.

- 12.16.2 Bargaining unit Adult School teachers shall be eligible for all leaves of absence without pay for up to one (1) year.
- 12.16.3 Educators on paid leave of absence who return to duty by the end of the school year in which the leave was commenced will be returned to the position held at the time of the leave unless:
- a) the position is no longer available due to staff reduction or program or modification, or
 - b) the return comes too close to the end of the school year to warrant disruption of the education program. In such case, the educator will be provided with an alternative assignment.
- 12.16.4 The District may require reasonable verification for any leave of absence.

12.17 Medical Examination

- 12.17.1 A licensed medical practitioner's statement may be requested if the Superintendent has substantial reason to believe that there exists a pattern of abuse of paid sick leave on the part of the educator. Prior written notice shall be given to the unit member if the District desires verification for fewer than five (5) days' absence.
- 12.17.2 Such examination shall be timely so as to be relevant to the illness and may be by the educator's personal licensed medical practitioner, or at the Superintendent's option, one selected from a list of practitioners from Health Net and/or Kaiser, to be mutually agreed upon by the Superintendent and the Union. The list shall be reviewed every two (2) years. Such practitioners may refer the individual to an appropriate specialist, if, in their opinion, it is necessary.
- 12.17.3 At the request of the educator, the request for the doctor's examination shall be justified in writing.
- 12.17.4 The Superintendent may require a certificate from the licensed medical practitioner showing an ability to return to duty with the District from extended sick leave.

12.17.5 In the event an ill educator must be transported to the licensed medical practitioner pursuant to a directive from the Superintendent under this section, such transportation may be requested by the educator. The Superintendent shall then provide such transportation or agree to reimbursement.

12.18 Personal Leave

- 12.18.1 An educator may use four (4) days of earned sick leave during the fiscal year for personal reasons. The leave may be taken in one-half (½) day or whole day increments. It is understood that Personal Leave days will not be used to extend District Holidays, non-student **work day**, or recesses or related to activity for which the educator may receive additional remuneration.
- 12.18.2 An educator intending to take such personal leave shall notify the site administrator prior to taking the leave.
- 12.18.3 Each day of personal leave taken pursuant to this section shall reduce the maximum number of days of sick leave the educator may use for personal necessity leave under section 12.6 (e.g. an educator taking four (4) days of personal leave could use a maximum of five days of sick leave for personal necessity leave). The aggregate amount of personal leave and personal necessity leave taken shall not exceed nine (9) days annually.

12.19 Family Medical Leave

- 12.19.1 The District shall comply with the applicable provisions of the California Family Rights Act and the Family Medical Leave Act. Nothing herein shall be construed to delete any rights in the contract or the Education Code.
- 12.19.2 During FMLA Leave, the employer shall maintain the employee's health benefits coverage on the same level as if the employee has continued to work to the extent required by the above referenced law. If an employee fails to return to work, an employer may recover its share of health plan premiums paid during the period of unpaid leave unless the failure to return is caused by a serious health condition of the employee or other circumstance beyond the employee's control.

- 12.19.3 Family medical leave will run concurrently with other paid and unpaid leave if the reasons for the leave meet the requirements of family medical leave. In accordance with FMLA/CFRA guidelines, Unit members may use up to twelve (12) weeks of their accumulated sick leave to care for a spouse, domestic partner, child and/or parent who is seriously ill.
- 12.19.4 An employee may be required to provide medical certification whenever a serious health condition of the family member is the reason for the leave. Failure to obtain medical certification when necessary may delay the granting of the leave request until such certification is provided.
- 12.19.5 Where advance notice is possible, an employee must provide 30 days advance written notice of the need for the leave. If the need for the leave is unforeseen, written notice must be given as soon as possible. Failure to provide advance written notice may delay the granting of leave.

While the Guidelines are not part of this Agreement, they indicate the responsibilities that must be followed in the formation of the combination classes. These Guidelines shall be given to all K-5 teaching staff during the month of March.

13.1.3 If Measure E1 is repealed, expires, altered to reduce the 66% allocation for class size reduction pursuant to Measure E1, or if the District declares a Severe Fiscal Emergency under the terms of Measure E1, the class size maximums set forth in section 13.3.1 shall automatically apply.

13.2 Secondary Schools

13.2.1 Except as provided in section 13.3.1 below, for the term of this agreement only, the District shall fund class size averages as they appear below:

Such teachers who wish to reactivate health plans may not do so until the next open enrollment period. The final decision relative to re-enrollment rests with the carrier.

- 14.12.7.1 Effective January 1, 2018, Adult School and hourly teachers who work on average at least thirty (30) hours per week or

one-hundred and thirty (130) hours per month, and who wish to have eighty percent (80%) of the District's contribution added to their monthly paycheck, shall provide reasonable evidence that they have minimum essential coverage allowed by federal regulations such as other employer-sponsored coverage (individual market coverage is not considered acceptable). If federal or state law or regulations regarding cash-in-lieu payments or affordability change, the parties shall negotiate over the impact.

- 14.12.8 Health Benefits coverage shall go into effect as determined by the District's health benefit provider coverage agreement(s) for all bargaining unit members. The District will provide new unit members with an explanation of these plans in sufficient time to enable meeting the 60 day enrollment deadline.

For the time period that BUSD is contracted with CalPERS, benefits coverage will go into effect no later than the first day of the month of the contractual work year after the date of hire, with a paperwork submission deadline of the 20th of the month prior. Employees submitting paperwork on or before the 20th of the month will have benefits coverage begin on the 1st of the following month.

For a new school year, if an employee is hired and paperwork is submitted any time before July 20th for the upcoming school year, their health benefits coverage would go into effect on August 1st.

For later hires, as an example, an employee hired and paperwork submitted on July 21st through August 20th, coverage would begin on September 1st.

For the purposes of this article the "hire" date is the date the employee is on-boarded by the Human Resources Department and all required hiring paperwork is completed, fingerprints have cleared and the employment contract is signed.

14.12.9 All bargaining unit members will receive health benefits coverage through August 31 following the school year for which they were employed unless they sign a temporary contract which specifically states that their health benefits coverage and contract end sooner. Should a temporary educator be hired back to teach in the District in the year following their year of temporary service, regardless of the contract they signed with regards to health benefits coverage, they shall receive health benefits coverage (retroactive if need be) for the summer following the year of temporary service.

- 20.4 Summer School openings will be posted within ten (10) days of the Board of Education's action for conducting a Summer School program. Notice of acceptance or rejection will be given to applicants by June 1 or as soon as is known. Summer School positions will be offered first to contract educators who are properly credentialed.
- 20.5 If the District believes that layoffs of personnel are likely due to program changes in which permanent certificated personnel do not have appropriate credentials to continue in service, the District will do everything that is legally possible to assist these personnel in filling alternative limited assignments.
- 20.6 Early Childhood Education teachers who earn an elementary or secondary teaching credential shall be guaranteed an interview for any position for which they apply.
- 20.7 Substitute teachers shall be provided access to materials and equipment required to perform assigned duties.
- 20.8 No educator shall be required to sign any report which does not conform to the law.

21. NO STRIKE CLAUSE

- 21.1 The Union agrees that during the life of this Agreement the Union will not call or engage in any strike, sympathy strike, walkout, slowdown, sit down, sick-in, or limitation of required activities of the District.

In the event Article 22 is violated by the Union, the Board has the option of canceling all other portions of this Agreement, subject to the grievance mechanisms.

- 21.2 The District shall not lock out educators during the term of this Agreement.

22. SAVINGS CLAUSE

- 22.1 If any provisions of this Agreement are held to be contrary to law by a court of competent jurisdiction, such provisions shall be deemed invalid, and negotiations on those provisions shall be reopened at the request of either party. Negotiations will begin within ten (10) school days after a request to begin is made by either party. All other provisions shall continue in full force and effect.
- 22.2 If the federal, state or local legislature approves any law after the ratification of this Agreement or there is a loss of local parcel tax revenues due to a failed election which has, or will have in the immediate future, an impact on finances of the District, either party may reopen negotiations on specific provisions of the Agreement which are deemed to be affected by such legislation. Negotiations will begin within ten (10) school days after a request to begin is made by either party.
- 22.3 During the term of this Agreement, if State law, Federal law, or funding standards change for Special Education, the parties shall immediately meet to reopen negotiations on Article 13, Section 13.4.
- 22.4 Should State funding changes to the staff development buy back day program result in significantly reduced funding for the program, the District and the Union will meet to negotiate per Section 2 of this Article.

23. EXPIRATION OF CONTRACT AND RE-OPENERS

- 23.1 The parties agree that the term of this Agreement shall be from July 1, 2022 through June 30, 2025. The parties agree to reopen the contract for FY 2024-2025 on Article 14 (Education Compensation) and up to two other articles each.

Each party must submit the Initial Proposals to the other party, in writing by February 28, 2024 for 2024-2025 Reopeners.

If the proposals are delivered by U.S. mail, they must be postmarked by February 28, 2024.

- 23.2 In the event of any litigation, verdict, judgment, award, or settlement which results in the inability of the District to satisfy any of the economic conditions of this contract during the term hereof, either party shall have the right to reopen this Agreement as to any economic term.
- 23.3 The parties agree to start the meet and negotiate process for the subsequent Agreement on or before March 15, 2025.

Each party must submit the Initial Proposals to the other party, in writing by February 28, 2025.

If the proposals are delivered by U.S. mail, they must be postmarked by February 28, 2025.

If new laws adopted by the Legislature, or provisions of the BSEP reauthorization adopted by the voters of the City of Berkeley in any November election impact on the terms and conditions of employment of this Agreement, either party may reopen with reasonable advance notice to the other party.

24. CONTRACT ADVISORY COMMITTEE

- 24.1.1 The parties agree to create a Contract Advisory Committee (CAC) composed of two (2) members designated by the Superintendent and two (2) members designated by the Union President. The CAC shall meet according to a schedule agreed to by the members thereof.
- 24.1.2 The parties agree that the purpose of the CAC is to enable the District and the Union to work cooperatively to prevent issues from becoming problems and to resolve issues informally without resorting to formal adversarial proceedings.
- 24.1.3 Subjects brought to the CAC shall normally be of District-wide concern as opposed to a single site's or individual's concern, unless, despite good faith attempts by all parties involved, such non-District-wide concerns have not been resolved at the site level. It is not the intent of the parties to bypass communications between the employees and site administrator; the parties agree that discussion of site-level concerns should occur at the site.
- 24.1.4 The CAC is neither intended to replace the Grievance Procedure provided in this Agreement nor to affect the right of an employee or the Union to utilize that procedure. In addition, the CAC is not intended to replace the negotiations process.
- 24.1.5 Nothing in this Article shall be construed as a waiver of the Union's right to negotiate during the term of this agreement over matters within the scope of representation that are not addressed in the Agreement, except as to those matters which, under the law, are already covered in the Agreement.

Two Way Immersion Program
February 12, 2013

The Berkeley Unified School District Board of Trustees approved a the consolidation of its Two Way Immersion (TWI) program from Cragmont and Rosa Parks Elementary Schools to a single site at LeConte Elementary School beginning with the 2013-2014 school year. Each year a grade level will be transitioned to a Two Way Immersion Program. Kindergarten will be the grade level transitioned in 2013-2014.

LeConte Elementary School has a strong community dedicated to ensuring that the students at LeConte are successful learners. In an effort to support the work that LeConte Elementary School has done in past years and to look forward to the full and gradual transition to TWI Program at LeConte BUSD and BFT agree to the following:

- 1) The Principal at LeConte will make all teaching assignments for both the TWI and EO classes as is the practice in all other District schools.
- 2) Articles 8 and 9 of the BFT Contract will be followed to ensure that the teachers who must transition from LeConte are able to be placed in the first, second or third school of their choice, and teachers interested in openings can apply to teach at LeConte based on their preferences.
- 3) As openings occur for TWI classes, postings will be distributed via the certificated staff distribution email group in accordance with contract timelines.
- 4) The LeConte principal will determine teaching needs for the upcoming school year as soon as possible and no later than April 15th of each school year to provide adequate notice for teachers transitioning to or from LeConte Elementary School. Prior to June 1st, TWI positions will be posted internally during the exclusive posting period (10 days). After June 1st TWI positions will be posted internally for the required five-day posting period. If one (1) or more internal candidates who possess a Spanish BCLAD certificate and have taught in a TWI class apply for a position, the position shall be offered to an internal candidate. If no internal candidates who possess a Spanish BCLAD certificate and who have taught in a TWI classroom have applied, the position will be open to external candidates.
- 5) Teachers who are required to move schools as part of this consolidation will be provided with Contract defined moving support. Teachers who have taught English Only classes at LeConte Elementary or TWI at Rosa Parks Elementary/Cragmont Elementary who apply and are selected will be entitled to an additional 12 hours of paid packing time and will have their boxes moved by the District. This provision applies to teachers employed in these positions during the 2012-2013 school year and is ongoing until consolidation is complete.
- 6) This is a one-time, non-precedent setting agreement.

FULL INCLUSON GUIDELINES

1. At the IEP meeting where change of placement is determined, a general education teacher, principal, program supervisor, special education teacher, critical related service provider(s), parent and any other appropriate personnel shall be present.
2. If the IEP team makes the placement decision for full inclusion, then the following shall occur:
 - A. When and if any of the following are deemed necessary by the team, an emergency plan will be developed regarding:
 1. Evacuation and communication in an emergency
 2. Special medical procedures (documented in handbook provided by Specialized Health Consultant)
 3. Extremely disruptive or injurious behaviors to self or others
 - B. All relevant staff, including related service providers, general education teacher(s) and the site administrator shall receive training on “inclusion” as well as specific information on the needs of the student involved (relative to his/her particular disability). This information will be provided just prior to placement as well as through formal planning meetings (at one-two week intervals) for the duration of placement in a particular class/grade. Information will include the rights, roles, and responsibilities of each team member, and how the IEP will be/is being implemented.
 - C. There shall be a special education teacher with appropriate certification assigned to the student as the student’s case manager.
 - D. The student’s planning team, i.e., the parent(s), general education teacher(s), special education teacher and any other relevant staff, e.g., related service provider(s) and/or any instructional assistant, shall have the opportunity to conference prior to placement, as there is interest.
 - E. At three weeks (or another mutually agreed upon time) following placement, the student’s progress shall be discussed in a (as well as subsequent) planning meeting(s).
 - F. The general education students in the receiving class shall receive information about inclusions and ability awareness, in the manner determined most appropriate by the individual student’s planning team.
 - G. A support schedule will be developed by the team and followed for the student within the first two/three weeks of school, based on the particular needs of the student involved. Supports will be determined by the individual student’s planning team, and include (but not limited to) any combination of the following: curricular adaptations, material supports, natural supports, e.g., peers, and/or extra adult support, which may be provided by any or all of the following persons: a certificated special education teacher, related service(s), an instructional assistant, and/or a student teacher or practicum student or another volunteer, under the supervision of the special education teacher.

- H. When deemed necessary by the individual student's planning team, adaptations to the curriculum will be made on an ongoing basis throughout the duration of the school year as determined during individual student planning meetings. This is a responsibility that is shared between team members with primary responsibility for adaptations with the special education teacher.

While teachers are participants in a student's IEP and will be invited to all staffings, a teacher may not be disciplined for not attending a staffing which occurs outside of their normal duty day.

- I. Compensation for time beyond the duty day for consultation, IEP planning, assessment and conferencing shall be granted under Article 14. (See also Article 11.6.2 of the Collective Bargaining Agreement).
- J. A transition plan shall be developed for fully included students as they move up through grades with their chronological-age peers, to include at least provision of information in as timely a manner as possible to the receiving general and special education teacher(s) and site administrators.
3. No placement shall occur unless the procedures outlined above are implemented and the roles and responsibilities of the educational staff are articulated.

DEFINITIONS

IEP Team: The team that designs the individualized education plan, comprised of the student (when appropriate), his or her parents or legal guardians, a couple of his or her peers (when appropriate), the assigned certificated special education teacher, the general education teacher(s) involved, the principal or site administrator and/or special education administrator, such as a program manager, and any related service providers involved (such as a speech/language therapist, or a physical therapist). If other persons are involved with a particular student or family, such as an instructional assistant, social worker, or parent/student advocate, they may participate as well, depending on their availability and an invitation from one or more team members.

Individual Student Planning Team: This is essentially the same as the student's IEP team. For practical reasons monthly or bimonthly meetings usually include at a minimum the collaborating general and special education teachers involved. Other members of the IEP team may attend as they have time and interest.

COMBINATION CLASSES ADMINISTRATIVE GUIDELINES

The following Guidelines are provided to ensure that all schools use consistent processes in assigning teachers and students to combination classes. It is expected that each site administrator will use these guidelines in establishing combination classes.

GUIDELINES FOR TEACHER ASSIGNMENT

1. Teachers may volunteer to teach in a combination class.
2. When there are no volunteers for a combination class, a rotational process for teacher assignment at each school will be established to ensure equity of teachers assigned to combination classes.
3. Teachers assigned to a combination class will have had experience in teaching one (1) of the grades in the combination class.
4. New teachers will not be assigned to a combination class for the first two (2) years unless they volunteer or new student(s) enter and no other space is available.
5. Experienced teachers who have taught the same grade for several years will also be considered for assignment to a combination class.
6. Teaching a combination class will be limited to two (2) years (three (3) if volunteering) unless there is a multi-age philosophy at the school.
7. The principal will meet with the teacher to discuss the assignment, i.e., student assignments, needed classroom materials, and staff development opportunities.

GUIDELINES FOR STUDENT ASSIGNMENT

1. Goal: Not to overload combination classes with “high need” students.
The student placement (form to be revised) will include criteria such as:
 - High achievers, or average or above in ability for both grades
 - Students are able to work independently- study skills, listening skills
 - Do not include students with learning problems in the proposed class
 - Students with behavior problems

2. The student study team process, including Full Inclusion teachers if appropriate, will be used to determine appropriate placement of Full Inclusion students and students with severe behavioral problems.
3. Fill combination classes first to reduce the potential of “in and out” students with unknown ability levels and behavior problems.
4. Students entering the District during the school year will be assigned to a single grade class which has openings before placement in a multi-grade class considering the District’s requirements for ethnic and gender balance.

STRUCTURAL CONSIDERATIONS FOR COMBINATION CLASSES

1. Teachers keep students for two (2) years – “Looping”
2. Team teaching
3. Classroom proximity
4. Joint prep time

MATERIALS

1. Priority for purchase and distribution of textbooks and supplemental materials
2. A portion of the BSEP site Block grant should be set aside for combination classes.

PARENT INFORMATION

1. Provide parents with information about the combination classes to which their children are assigned.
2. Parent input in the SST process to address concerns

MEMORANDUM OF UNDERSTANDING
SST COORDINATORS

STIPENDS

A stipend of \$1,500 will be paid to regular classroom teachers to coordinate SSTs. These duties include 504 issues which are handled by the SST. Refer to Additional Compensation Appendix.

The Stipends will be allocated as follows:

K-5 Schools/Longfellow	1 stipend per site
King/Willard	2 stipends per site

Schools may supplement stipend support with site based funding for substitutes if SST meetings are held during the school day.

EXAMPLES OF COORDINATOR DUTIES

- Organize and schedule SST meetings
- Maintain appropriate records of SST decisions, timelines, etc.
- Monitor timelines and the progress of students in meeting SST plan objectives (including 504s).

SELECTION OF COORDINATORS

The principal will ask for volunteers. If there are more volunteers than number of stipend positions, the principal will select the stipend-paid teachers based on 1) representative grades; 2) experience with the SST process and/or working with special needs students; 3) experience in group problem solving processes. Coordinators could also be serving in other positions, e.g. Teacher In Charge, concurrently.

It is not recommended that Special Education Staff be used as SST coordinators.

SUPPORT FOR TEACHERS PARTICIPATING IN SSTS

If SST meetings are held before and after school, the regular classroom teacher bringing a student's case to the SST must take time that normally is used for planning, preparation, parent conferencing, etc. To recognize the teacher's use of this time, regular classroom teachers are eligible to receive credit pursuant to Section 14.4.2 of the BFT/District Agreement. This would also apply to Special Education personnel who may participate in SSTs.

The credit would be for the time the teacher spends in SST activities if these activities are carried out "beyond" the duty day. It is suggested that the record keeping for this function be carried out by the SST Coordinator.

CHC 1/22/15
APB 07/27/15

TRAINING

Formal training will be provided to all SST Coordinators which includes instructions on forms, record keeping, timelines, scheduling guidelines, etc. Formal training will also include a clear delineation of which SST duties are the responsibility of the SST Coordinator and which SST duties are the responsibility of the Principal and the exact scope of these duties.

IMPLEMENTATION

These guidelines are effective immediately and will be reviewed by BFT and the District no later than February 1, 2001. At this review, both the Principal and the SST Coordinator from each school will submit separate reports that summarize the SST process to date. Included in these summaries will be a count of how many SST meetings have been held thus far, the amount of meeting hours thus far, and a list of problems and solutions that have arisen thus far related to the SST Coordinator's role. A BFT representative will be present at this review and at the conclusion of the review it will be decided if and when a follow-up review will be held.

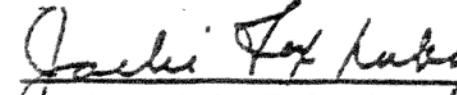

Stipend and Section 14.4.2 credit are retroactive to the beginning of the current 2000-01 school year.

The use of Coordinators does not relieve the principal/vice principal for being responsible for and running SST meetings. This program is not to substitute for the site administrator's role in the SST process.

BFT members included in this agreement would be compensated based on the following schedule:

Number of hours of the workshop other activity	and	Number of hours paid for planning and preparation at the Curriculum Development rate

Bilingual Stipend Proposal – School Psychologists and Behaviorists

The Berkeley Unified School District (“District”) and the Berkeley Federation of Teachers (“BFT”) recognize the importance of retaining highly qualified employees. The parties also endeavor to provide the best education possible to students by ensuring that we address linguistic needs of students and families whose home language is not English.

To that end, the parties agree to provide a Bilingual Stipend to School Psychologists as follows:

Definition of bilingual assessment:

According to the National Association of School Psychologists (NASP), bilingual assessment requires fluency in a language (other than English), cultural competence in practice domains, training on theories of second language acquisition and the process of acculturation, and knowledge of how language acquisition and acculturation impact the learning process. Bilingual evaluation can involve direct assessment; consultation with families, teachers and other school staff; intervention planning and delivery; and counseling. In practice, bilingual school psychologists are often called upon to act as liaisons for limited or non-English speaking families at their school sites as they navigate complex and sometimes unfamiliar educational systems.

In addition to assessment tasks, bilingual school psychologists and behaviorists may describe school intervention programs and/or available special education supports, spend considerable time in meetings acting as a translator, and facilitate meetings between families and other school staff by making phone calls or speaking to families in person.

Proposal for hiring practice:

- A BUSD bilingual school psychologist or behaviorist will participate on the hiring committee whenever there is a bilingual candidate to interview.
- Bilingual candidates will have to submit a de-identified bilingual psychoeducational or other report (behavior plan, functional behavior analysis, etc.) and at least two references familiar with their proficiency in bilingual practices during the application process (in addition to all other required materials).
- During the interview, the candidate will be asked to explain their evaluation findings in Spanish as if they were explaining the results to an IEP team (including parents, teachers, and administrators). The BUSD bilingual school psychologist or behaviorist, and possibly other bilingual panel members, will rate the candidate's oral language proficiency on a rubric.
- During the interview, the candidate will be given a sample note from a parent, written in Spanish. The candidate will be asked to review the letter and verbally respond to the parent. The BUSD bilingual school psychologist or behaviorist, and possibly other bilingual panel members, will rate the candidate's oral proficiency on this on a rubric.

- The candidate's two references will be contacted and asked to provide information about the candidate's ability to conduct bilingual evaluations, along with other information. Answers will be recorded.
- If the candidate is hired, the rubrics, reference notes, and de-identified report can go into his/her personnel file to certify their proficiency in bilingual assessment and eligibility to receive the bilingual stipend.

Rationale

Review of the psychoeducational or other evaluation report will allow the hiring committee to ensure the candidate has conducted bilingual assessments and determine whether the candidate is familiar with bilingual assessment best practices. Listening to the candidate explain their evaluation findings and respond to a parent/guardian will allow the hiring committee to evaluate the candidate's oral language proficiency, their ability to explain findings in a clear and succinct manner, and observe how they interact with a parent/family. Rating the candidate's oral language ability on a rubric will allow the hiring committee to standardize its evaluation of potential bilingual candidates to ensure proficiency and yield documentation that can be included in the personnel file. Contacting candidate's references will allow the committee to gather further information about bilingual ability as well as yield documentation that can be included in the personnel file.

Proposal for process to ensure current BUSD bilingual school psychologists and behaviorists who did not take a District-administered language proficiency exam upon hire are eligible for the bilingual assessment stipend:

- A bilingual District Human Resources representative, Special Education Director or Program Supervisor/Manager WILL BE invited to attend an IEP team or other meeting where the bilingual school psychologist or behaviorist is presenting results from a bilingual assessment (with prior consent from the family and the understanding that the District representative is there only in an observational capacity). The District representative can observe the bilingual school psychologist or behaviorist, review the evaluation report, and rate their language proficiency on a rubric to certify their ability to conduct bilingual assessment and eligibility for the bilingual stipend. This rubric can be included in the bilingual school psychologist or behaviorist's personnel file as documentation of proficiency in bilingual assessment.

**MEMORANDUM OF UNDERSTANDING
BETWEEN
THE BERKELEY UNIFIED SCHOOL DISTRICT (“District”)
AND
THE BERKELEY FEDERATION OF TEACHERS (“BFT”)**

Subject: Participation in Quality Counts. There are three possible scenarios based on final Quality Counts scores for 2022 - 2023.

Quality Counts is a Quality Rating and Information System. It is “a method to assess, improve and communicate the level of quality in early care and education settings”. The main goal of Quality Counts is to improve the quality of early care and education so that more children with high needs are attending quality programs.

The District and BFT have agreed that:

Scenario 1 (ALL Preschool sites score a 3 or below)

Teachers will be released four days, two in the fall and two in the spring, to work on the DRDPs. One day is for DRDP input and the second day is for writing the Child’s Developmental Progress form for each child.

Scenario 2 (ALL Preschool sites score a 4 or above)

Teachers will be released four days, two in the fall and two in the spring, to work on the DRDPs. One day is for DRDP input and the second day is for writing the Child’s Developmental Progress form for each child.

Teachers will receive a stipend in June for \$800 for participating in Quality Counts.

Teachers will receive all the support for teaching and learning based on the priority list 1 through 5 on the attached list.

Scenario 3 (One or two sites score a 3 or below and one or two sites score a 4 or above)

The spending priorities will be based on the final site scores. Within scenario 3 there are six possible outcomes for the reward amounts (scenario 3.1-3.5). The tables below depict the dollar amounts that will be received and the priority spending areas associated with each amount.

Please see Table 1, 3.1 – 3.2, to identify the possible reward amounts. Please see Table 2 to identify the spending priorities based on each scenario.

See attached page for detailed spending priorities.

**Memorandum of Understanding

and the Berkeley Federation of Teachers**

Subject: Berkeley Independent Study Implementation

The purpose of this Memorandum of Understanding (MOU) is to address the transition of Berkeley Independent Study teachers from hourly employees to salaried employees. This MOU will address the date of implementation, FTE calculations, the Instructional Day, and the Sick Leave transition.

Date of Implementation of the negotiated agreement: January 6, 2020

Berkeley Independent Study teachers will be paid over an 8 month period for the remainder of the 2019-2020 school year at their specified FTE starting with the January pay period.

How FTE was calculated:

Independent Study teachers named in the Kavanagh agreement will maintain their Kavanagh FTE as their Base FTE. Independent Study teachers who received permanent status at any other time will maintain that FTE as their Base FTE. Historical Benefits FTE reports from 2018 -2019 will be used to establish Base FTE for newly permanent employees. Probationary 1 and Probationary 2 teachers will be assigned FTE based on student need. All teachers who are not at 1.0 FTE can be assigned additional FTE based on student need starting in January 2020. This assigned FTE is probationary.

Additional Students Beyond Established FTE:

Independent study teachers assigned students above and beyond their established FTE will turn in timesheets for additional time and be paid at their per diem hourly rate.

Instructional Week/Day:

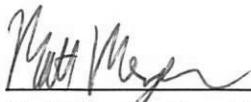

The instructional week is 35.8 hours which is 7 hours and 10 minutes per day. Because of the flexibility necessary for BIS schedules, hours will be calculated on a weekly basis. The attached chart shows the duty day and preparation time for each FTE which includes a one half hour duty free lunch on each day with more than 5 hours of work. Each teacher will receive preparation hours based on their FTE to complete filing paid at the curriculum development rate as shown on the attached chart.

Professional Development:

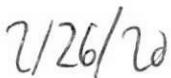

Berkeley Independent Studies teachers will attend Professional Development meetings in accordance with 11.2.12.

How sick leave is calculated:

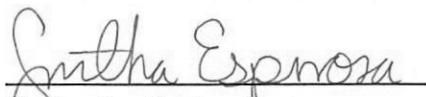

Sick leave for this transition will be calculated by taking all the sick leave hours earned through December 2019 and dividing by 6 to create Sick Days. 7.33 Sick Days will be added pro-rated based on FTE to finish out the year. At the beginning of the 2020 school year, 11 sick leave days will be added.

Subject: BUSD School-Based Substitutes

The Berkeley Unified School District ("District") and the Berkeley Federation of Teachers ("BFT") recognize the importance of having a teacher in every classroom. Due to the substitute shortage, substitutes without Preliminary or Clear Credentials may need to be assigned to sites.

To that end, BUSD will employ School-based substitutes under the following conditions:

School-Based Substitutes will:

- Will be part of the BFT Bargaining Unit.
- Possess or be eligible for a California regular teaching credential authorizing service in Grades K-12 or an emergency 30-day teaching permit for the entirety of the school year.
- Be prepared to work every instructional day as assigned on a day-to-day or long-term basis. On days with no sub job, a School-Based Sub can be assigned tasks by the administrator.
- Sign a temporary agreement designed specifically for this purpose.
- Participate in district and/or school site in-services as assigned.
- Be granted one sick leave day per month up to 11 sick leave days based on length of the agreement. (Per Article 12)
- Be offered medical benefits as required by law. School-Based Subs would qualify for the Sub Incremental-Medical Stipend if not offered or deny District benefits.
- Have a duty day of 7 hours and 10 minutes. (Per Article 11)
- Follow a teacher's schedule, in general. (Per Article 11)
- Be provided a 30 minute duty free lunch. (Per Article 11)
- Follow absence reporting procedures. (Per Article 12)

Three negative evaluations could result in the School-Based Sub being reassigned to another site or becoming a normal daily sub.

Subject: Puente Program Compensation

The Berkeley Unified School District ("District") and the Berkeley Federation of Teachers ("BFT") recognize that the Puente Program has a unique structure that requires programmatic administration outside the duty day.

The intention of this agreement is to articulate how a teacher or counselor is compensated if they work in the Puente Program.

- a. A teacher or counselor cannot be involuntarily assigned to be in this program because it requires work outside the duty day.
- b. Subs will be provided for all required training that occurs within the duty day.
- c. Summer training will be paid at the Summer Daily Rate for full days and hourly at the Curriculum Development rate for partial days.
- d. Hours spent on Puente programmatic requirements outside of the duty day will be paid at the Teacher Hourly rate on timesheets. This would include but is not limited to field trip planning, data reporting and communication with families.

Both parties agree that this agreement will be part of the Collective Bargaining Agreement and can only be modified by mutual agreement.
