Weighted Student Formula (WSF) Baseline

The WSF Baseline is the vision for the minimum funding amount each school should have across its primary Weighted Student Formula Resources (Unrestricted, SCG-EL, and LCFF Concentration). Your school site is guaranteed enough funding to implement this design, and in many cases your allocation supports more than this baseline.

The amount of money needed to cover each position below is incorporated into your Weighted Student Formula **dollar allocation**. You can then choose which positions to budget on your budget template. **These specific positions will not appear on your budget template unless they already exist at your school.**
