2024-25 TK-5 Projected Enrollment	507

In the past, school site staffing has been determined by a combination of multiple inputs:

- Weighted Student Formula allocations
- Multi-Tiered System of Supports
- Central Office allocations
- Other specialty funding, such as AP Prep, Title I, grants, and PTA funds

Your School Staffing and Budget Allocations combine those inputs into a more comprehensive allocation of resources for your site and serve as a starting point for school leaders as the school planning process begins for the next year. Allocations are organized into the following categories:

<sup>^</sup>Unduplicated Pupil Percentage - students who are eligible for free or reduced-price meal (FRPM), are English learners (EL), and/or who are foster youth
