**Re: Response to Public Records Request**  
**District Information**

Dear Jordan Crawford,

As you were previously informed, the San Francisco Unified School District (“District”) is in receipt of your California Public Records Act (“CPRA”) (Gov. Code §§ 7920.000 et seq.) request received on February 9, 2026, for specified records of the District. We informed you in our prior correspondence dated June 22, 2026, that the District would make all reasonable efforts to provide those responsive, non-exempt documents to you in a manner consistent with the CPRA.

The District has conducted a reasonable search and has located the documents that are most responsive to your request. Enclosed with the transmission of this correspondence, the District is providing you with responsive, non-exempt, documents. This set of documents will be referred to as “Batch 4.” Due to the volume of the remaining documents, as well as the need to review and process them, the District anticipates that it will be able to provide some, if not all, of these remaining documents by no later than August 24, 2026, provided that we will timely notify you if this is not possible.

Please feel free to contact me if you have any questions.

Sincerely,  
SAN FRANCISCO UNIFIED SCHOOL DISTRICT

Christina Plascencia
